

Dear Business Owner,

West Chester Girls Softball Association, aka Wildfire Softball, is a 501(c)3, non-profit organization, focused solely on working with girls ages 5 -16. We take pride in saying we are the only softball organization in the West Chester Area to do so. Through our sponsorship program, we offer organizations and individuals the opportunity to support our athletes as they have fun learning to play the game of softball. With over 200 families in the league, we greatly appreciate the support of all our Sponsors.

With your **tax-deductible donation**, Tax ID 23-2817469, we can provide:

- Scholarships to players in financial need
- 8-week indoor Winter Clinics at no additional costs

Your donation also helps offset operational expenses for insurance, field fees, umpire costs and replacement equipment.

We care deeply about this league and the positive impact it has on the girls who are a part of it. Your sponsorship will go a long way towards Wildfire Softball continuing to do our great work with the young girls in the area. Please consider becoming a sponsor today.
