

Plymouth Youth Hockey Locker Room Policy

In addition to the development of our hockey players and enjoyment of the sport of hockey, the safety and protection of our participants is central to Plymouth Youth Hockey's goals. Plymouth Youth Hockey adheres to USA Hockey's SafeSport Program as a means to help protect its participants from physical abuse, sexual abuse and other types of misconduct, including emotional abuse, bullying, threats, harassment and hazing. In accordance with USA Hockey Requirements and to help prevent abuse or misconduct from occurring in our locker rooms, Plymouth Youth Hockey has adopted the following locker room policy. This policy is designed to maintain personal privacy as well as to reduce the risk of misconduct in locker rooms.

At Armstrong Arena there are six (6) locker rooms available for our program's use. Locker rooms one (1) through (4) share a restroom and shower area. Locker Room five (5) has its own restroom and shower area, and Locker Room 6 utilizes the public restrooms with no shower area. Some teams in our program may also occasionally or regularly travel to play games at other arenas, and those locker rooms, rest rooms and shower facilities will vary from location to location. Plymouth Youth Hockey' team organizers will attempt to provide information on the locker room facilities in advance of games away from our home arena. At arenas for which you are unfamiliar, parents should plan to have extra time and some flexibility in making arrangements for their child to dress, undress and shower if desired.

Locker Room Behavior

The following behavior is prohibited in all locker rooms:

Running, horseplay or hockey boxing

Foul or vulgar language

Use of hockey sticks: Sticks are either lined up along a wall or placed in a receptacle specifically designated for hockey sticks.

Throwing of snow/ice from skates, used tape, equipment or personal belongings

Misuse of lavatory facilities

Failure to keep locker rooms free from debris including used hockey tape, trash etc.

Pounding, kicking or any misuse of lockers or benches or other locker room fixtures

Behavior that demonstrates a lack of respect for team mates, Parents and others.

Behavior that demonstrates a lack of respect for the personal belongings of others.

Destruction/Damage to Locker Room Facilities

Teams will be held financially responsible for any damage to locker rooms including but not limited to being held directly financially responsible for the loss, damage and/or destruction of another player's personal belongings or equipment as a result of the inappropriate actions of individuals occupying locker room facilities both home and away. Failure to adhere to these rules will result in disciplinary action which may include, but not be limited to, the suspension of team/Plymouth Youth Hockey activities.

Locker Room Monitoring

Plymouth Youth Hockey has predictable and limited use of locker rooms and changing areas (e.g., generally 30-45 minutes before and following practices and games). This allows for direct and regular monitoring of locker room areas. While constant monitoring inside of locker rooms and changing areas might be the most effective way to prevent problems, we understand that this would likely make some players uncomfortable and may even place our staff at risk for unwarranted suspicion. We conduct a sweep of the locker rooms and changing areas before players arrive, and if the coaches are not inside the locker rooms, either a coach or voluntary locker room monitors (each of which has been screened) will be posted directly outside of the locker rooms and changing areas during periods of use, and leave the doors open only when adequate privacy is still possible, so that only participants (coaches and

players), approved team personnel and family members are permitted in the locker room. Team personnel will also secure the locker room appropriately during times when the team is on the ice.

Parents in Locker Rooms

Except for players at the younger age groups (Learn to Play, 6U and 8U), we discourage parents from entering locker rooms unless it is truly necessary. If a player needs assistance with his or her uniform or gear, if the player is or may be injured, or a player's disability warrants assistance, then we ask that parents let the coach know beforehand that he or she will be helping the player.

Naturally, with our youngest age groups it is necessary for parents to assist the players getting dressed. We encourage parents to teach their players as young as possible how to get dressed so that players will learn as early as possible how to get dressed independently. In circumstances where parents are permitted in the locker room, coaches are permitted to ask that the parents leave for a short time before the game and for a short time after the game so that the coaches may address the players. As players get older, the coach may in his or her discretion prohibit parents from a locker room.

Mixed Gender Teams

Some of our teams consist of both male and female players. It is important that the privacy rights of all of our players are given consideration and appropriate arrangements made. Where possible, Plymouth Youth Hockey will have the male and female players dress/undress in separate locker rooms and then convene in a single locker room before the game or team meeting. Once the game or practice is finished, the players may come to one locker room for a team meeting and then the male and female players proceed to their separate locker rooms to undress and shower, if available. If separate locker rooms are not available, then the players will take turns using the locker room to change. We understand that these arrangements may require that players arrive earlier or leave later to dress, but believe that this is the most reasonable way to accommodate and respect all of our players.

Cell Phones and Other Mobile Recording Devices

Cell phones and other mobile devices with recording capabilities, including voice recording, still cameras and video cameras, are not permitted to be used in the locker rooms. If phones or other mobile devices must be used, they should be taken outside of the locker room.

Prohibited Conduct and Reporting

Plymouth Youth Hockey prohibits all types of physical abuse, sexual abuse, emotional abuse, bullying, threats, harassment and hazing, all as described in the USA Hockey SafeSport Handbook. Participants, employees or volunteers in Plymouth Youth Hockey may be subject to disciplinary action for violation of these locker room policies or for engaging in any misconduct or abuse or that violates the USA Hockey SafeSport Policies. Reports of any actual or suspected violations, you may email USA Hockey at SafeSport@usahockey.org or may call 1-800-888-4656.
