Athlete, Team, Family

Mission

South County's Mission is to provide a safe, positive and supportive learning environment where athletes are challenged to grow as people and players through competition and family like connections

Vision

Our vision is to have the best quality volleyball club in New England

Measures of Success

We want people to feel safe and supported

We want people to remember the connections they had with their teammates and coaches

We want people to become great volleyball players and great people

Core Values

Growth | Team | Positivity | Support

Behavior Principles

Coaches will ...

- Encourage reaching beyond comfort zone
 - Commit to an athlete-first experience
- Build confidence in players through proper preparation
 - Promote self-esteem
- Mentor everyone on team to be the better people
 - Demonstrate a commitment to growth
 - Foster a safe, team first environment

Players will ...

- Treat the ALL coaches, teammates, opponents, and officials with respect
 - Be open and receptive to feedback
- Be ok with making mistakes during the learning process
 - Support your teammates

Parents will ...

- Demonstrate great sportsmanship to all players, coaches, and officials
- Support sons' and daughters' highs and lows through the season
- Encourage athletes to have open communication with their coaches
