SPORTS FOR CHILDREN
WITH SPECIAL NEEDS

Hey SYC Families! Help us get the word out about our new pilot program for children with special needs! Unlimited Potential (UP) offers an opportunity for children with special needs to learn the fundamentals of sports in a safe and fun environment. We will offer SOCCER as part of the UP program this spring! Children will learn drills and teamwork alongside their "Pal" who is assigned to each individual child. We are very excited about this new program which gives special needs children a chance to socialize, make friends, and have fun!
