

Adding Player ID# for Game Card Printing

This is done as a Club Admin.

1. From Dashboard, click on Players
2. Click on the Player's name
3. On the left hand side, click on the Roles tab

4. Click on the Edit button at the end of the row in the Roles table.

Resource	Role	Title	Published	Level	Affiliate Name	
Greater Flemington SC Organization	player			Competitive	USYS	

5. Select USYS in the Affiliate Name box.
6. Enter the NJ ID# in the ID Number field.

Affiliate Name	ID Number
<input type="text" value="USYS"/>	<input type="text" value="29412-838056"/>

7. Click Save. Should now see USYS and ID# populated on the Roles tab under Affiliate Name.

Roles

Resource	Role	Title	Published	Level	Affiliate Name
Greater Flemington SC Organization	player			Competitive	USYS ID: 29412-838056

This process should be repeated for Coaches
