Hello,

Since the fall of 2017, I have held a position on the BBLHYHA board and I am interested in continuing to do so by filling one of the open board positions. I began by stepping into the open Secretary position; and in 2018, this role was redefined to also include the duties of the Communications Director. I feel that my contributions in these roles have been beneficial as I focused on timely communication of information that affected all members of the Association as well as updating information on our website and social media outlets. I feel that BBLHYHA is moving in a very positive direction and would be very excited to continue to be a part of all that is to come in its future.

Thank you,
Danielle Gessell
