All Board Members Present. Plus Coach Brent Bernard

Financials: \$55,245.95 in the account. Still to be paid: Taxes, house Feb & March Ice. Districts.

Pink out the rink account: \$402.00

**Concern raised:** The house teams are only paying to practice. They aren't getting the games that they're use to and aren't getting the fulfillment. They want to be able to opt out. They are looking at possible refunds.

EMHA Treasurer: We can't refund. The final house payment was collected February 1<sup>st</sup>. The money will be used. The EMHA cannot lose money.

If a player/family wants to stop playing/opt out they can do it. COVID rule.

Brainstorm with Full Board: Creative ways to keep the kids engaged:

Juice box hockey

EMHA night ... fun skate

Scrimmages between EMHA teams – match up like teams...transparent about the talent level.

Brent Bernard: Is there a way to fund raise over the summer to eliminate the registration fee for people in 2021? Retention? Possible: coupon book? It was noted that \$30,000 in registration fees is typically collected each year.

M. Bendall: Make a motion to not refund people before the season is over. If there is an excess of money, everyone on the team will be given the same refund. Second. Unanimous approval.

Districts: If they are held...the balance needs to be paid. Will districts be held?

No Banquet this year.
