What is the difference between “Membership” and “Certifications?”

Annual coach membership (Wrestling Leader membership) with USA Wrestling requires the following:

1. SafeSport Certification - 90 minute course, free, accessed from your online profile
2. Successful background check through your online membership profile (no outside background checks can be accepted)
3. Purchase your annual Wrestling Leader membership

Certifications (Copper, Bronze, Silver, or Gold) are attached to your USA Wrestling ID number. When you renew your membership profile, your certifications automatically renew as well.

If you create a new profile in our membership system, your certifications won't automatically follow you. Certifications stay with your USA Wrestling ID number.
