Deep River and Area Minor Soccer Club (A not-for-profit Corporation without Shared Capital) Annual General Meeting 01 – September - 2016

2016 Annual General Meeting

Location: Deep River Public Library, Ridge road, Deep River, ON

Time: 7:00pm

- 1) Roll Call 10 members were in attendance. A quorum requires 10% or ten members. See Appendix A for sign in sheet.
- Approval of 2015 Minutes:

Motion # 1: Stephen Hopkins moved to accept the 2015 minutes. Suzanne Davenport seconded the motion (passed).

- 3) Report from the President Helmut Fritzsche See Appendix B. Helmut thanked everyone for coming to the 2016 AGM and the previous year's organizers for their ongoing efforts running the Deep River and Area Minor Soccer Club (DRAMSC).
- 4) Report from VP Internal Pat Causey and Mike Cameron See Appendix C

 The longer U8 season (playing until the end of July) was very successful. Mark suggested we have referees available for this extended season. Everyone agreed this was a good idea.
- 5) VP External Mark Griffith See Appendix D Mark mentioned that we need to tackle the ongoing issue of problems associated with late registration.
- Report from the Registrar Katja Fritzsche See Appendix E
 321 players registered this year which is an amount similar to previous years.
- 7) Report from Head Coach Fabrice Guerout
 We held a coach's clinic at the end of May targeting U6 and U8 coaches. We had about 12
 coaches in attendance. Mike Cameron did a great job of communicating to these coaches which helped tremendously. Fabrice suggests we host a similar event next year. The focus is on basic principles and how to promote them. The goalie clinic was also a successful event. We haven't held the ISPDC in a couple of years because we haven't had the numbers. We need at least 25 registrants to make it financially feasible. Fabrice is not interested in taking the lead on hosting the ISPDC but invites anyone who wants to take the lead to do so.

- 8) Report from Head Referee Mike McGuire Mike McGuire is stepping down from the Head Referee position. Sherry Simms handled the scheduling of referees this year and has indicated she would carry on with this task next year. The Head Referee's responsibility is to set up training clinics for referees and to work with and coach / train the younger referees. Referee training takes place prior to the beginning of the season. Kenneth Lundy has indicated he would be happy to take over the Head Referee position.
- 9) Report from the Equipment Manager Suzanne Davenport See Appendix F Action: Marion to add net purchase / refurb discussion to the next meeting agenda.
- 10) Report from VUSL Representative Mark Griffith See Appendix D
- 11) Report from the Secretary Nothing to Report

Action: Katja to send Cheryl the list of registrants.

Action: Cheryl to import the list into Goaline so we have a mass email list for announcements

Action: Doug Cameron to send a mass email to promote Will Fitton's DRAMSC clothing

- 12) Report from the Treasurer Beth Whitlock See Appendix G
- 13) Appointment of Auditors

Motion # 2: Moved by Helmut to approach Chris Carroll CA to see if he is interested in being our auditor going forward. Seconded by Beth Whitlock (passed).

14) Election of Board Members:

Beth nominated Helmut as a member at large, Stephen seconded the nomination – all voted in favour. Stephen nominated Cheryl as a member at large, Helmut seconded the nomination – all voted in favour. Cheryl nominated Stephen as a member at large, Fabrice seconded the nomination – all voted in favour. Mike Cameron nominated Meredith Jeffries as a member at large, Fabrice seconded the nomination – all voted in favour. Report of the DRAMSC President for 2016 AGM

This is a very detailed report of what I have been doing the last year so that the executive has a list of jobs that need to be done once I resigned at this AGM.

As the president I acted as the single point of contact for

- a) our district SNE
- b) the website provider goalline
- c) the town of Deep River

and d) I also received all the communications from our league, VUSL, that I forwarded to our club coaches, as Mark was on a long business trip during the start of the season.

- a) I attended the SNE AGM (usually 2nd week of October), made sure all the necessary documents were submitted on time before the AGM, attended all conference calls during the year, I made sure that player books for the U13G and U17B select were sent and received in time. I made sure that all the ATFs were approved on time, some extra work this year because OSA introduced a new system.
- b) I set up the online registrations for players and coaches on our website, posted a couple of things, but most of the news articles were posted by Doug Cameron he was a great help and agreed to do it for us next year again. I organized the website in a way that every team could have used it as a team website, only 4 teams made use of it. I received again a \$300 sponsorship from Cameron Gage (Gage dentistry) for an online ad on our website.
- c) I submitted the field booking request to Christine. Once the schedule was out, I cancelled all the time slots at Mackenzie when our teams had away games. That saved the club about \$200. The town removed the concrete slabs in front of our shed. That helped a lot to reduce the amount of water flowing into the shed after heavy rainfall. The town acted swiftly when I asked them to remove a wasp nest in the door of our shed. They were also very good accommodating our request in lining GP2 for the U19crossover and U16 Cup Day.
- d) I attended most of the VUSL meetings, carpooled with Mark Griffiths. This year for the first time Geoff did not do the scheduling anymore, so each club had to schedule a different division. I took over the scheduling of the U19 division and also reviewed all the other divisions.

In May I organized a goal keeper clinic with Allan Turtle as instructor. The clinic was well attended by 12 Deep River players. The feedback I received was all very positive.

I was the convenor for the U19 crossover day in July and U16 Cup Day in August: set up tents for the refs, collect and submit all the game sheets, posted and kept track of the scores, made sure the town lines both GP pitches as big pitch, opened the washrooms, made sure there is enough toilet paper.

For the 2015/16 season I booked for the first time the MCS gym for indoor soccer for Thursdays 6-8pm and Wednesdays, 6-7pm so that we can offer indoor soccer to more age groups. Stephen Hopkins coached the U8/U10s on Thursdays 6-6:45pm, and the U12/U14 girls on Wednesdays 6-7pm, I coached the U12/U14 boys Thursdays 6:45-8pm. All the players were registered with the club. Stephen and myself attended the Community Registration Day on Sep-3rd in the Deep

River Arena to get more registrations for indoor soccer. The Wednesday spot turned out to be not ideal because of school sport running late. So, this year I only booked the Thursday slot from 6-8pm.

In the past I always updated the registration poster and registration forms. Whoever is doing it next year: please contact me, I have all the files.

For many years I have organized the setting up of the nets before the season and taking them down after the season. I have taken down the nets at Campus Field last week, somebody else has to take care of the nets at Grouse Park (U12 and big nets).

If anybody wants to set up our advertising board during registration time at the post office: please take it out of the shed now, our shed is not accessible during the winter months.

I enjoyed my time as part of the DRAMSC executive very much (equipment manager, VP-external, President), but I think it is time now to step down as the President to give other people the opportunity for leadership. I am willing to stay on as Board Member as a Member at Large (Past President) to make the transition easier. I am happy to share my knowledge and experience in all soccer-related issues and see my role in the next year as a resource and advisor if asked for advice.

Helmut Fritzsche (DRAMSC President)

U6/U8 Year-End Report

Registration

The registration process for this age group has gone well over the past few years. The numbers have increased by over 45% over the past 4 years. In U6 this year we played with 6 teams and 63 players. In U8 we had 54 players and 6 teams.

Recruiting Coaches

This was an excellent year for volunteer coaches at both age levels. In the U6 category we had 17 coaches for 6 teams. In the U8 category we had 23 coaches for 6 teams. To improve coaching skills, all coaches were encouraged to attend the coaching clinic hosted by Fabrice Guerout. All coaches were given example practice plans before the season started.

All coaches prepared their own practice plans and were responsible for covering their own absence if required. Coaches were also encouraged to merge practices with other teams to increase field space and the opportunity to run multi-station drills.

Scheduling

Soccer started Monday, May 2 for U6 and Tuesday, May 3 for U8.

U6 played Mondays and Wednesdays from 6:00-7:00pm (see attached).

U8 played Tuesdays and Thursdays from 6:00-7:00pm(see attached).

Field and team schedules were created and sent to all coaches and parents in advance of the first night.

The U6 and U8 groups played at the Grouse Park mini-fields. The Town of Deep River staff chalked out 4 mini-fields this year.

At the beginning of the season the first two weeks were 100% practice. Following the first two weeks coaches were encouraged to scrimmage against the team they were sharing the field with following 30 mins of practice. From coached feedback we found that it worked best to play 4 on 4 (with a goalie) and rotate players approximately every 3 minutes to ensure fair time on the field and to allow for rest breaks.

Referees

In the U6 group, coaches refereed their own games. To keep the momentum of the game, the coaches would kick the ball back into play if the ball went out of bounds and if a team scored the players would just fall back to the half-line.

In the U8 group, Mike McGuire coordinated the referees. Coaches were provided with the game rules in advance of playing in order for them to incorporate the rules into their practices. Throughout the season the rules were followed more strictly (see attached).

Rain Days

Soccer was only cancelled if there was, or a chance of, light or heavy winds. A mass email was sent out to parents, coaches and referees by 5pm the night of practice. Coaches from each team were also encouraged to contact each of their players directly.

Email Updates

Program emails were sent weekly to keep parents updated on the season activities, scheduling changes, photo days, fun days etc.

Team Photos

Troy Wilson was used to for photos this year.

Photos were changed from 5x7 to 4x6 this year and each team have their team name and logo

Total cost was approx.\$400 for (6) U6 teams, (6) U8 teams and (4) U10 teams.

An email was sent out to all parents about the night photos were to be taken.

Year-End Fun Day

The U6 Fun day was scheduled for Wednesday June 29 (see attached).

The U8 Fun Day was scheduled for Thursday, June 30 (see attached).

Both groups followed a predetermined round robin schedule where each team played each other on a rotating 8 min game schedule allowing 2 minutes to run to the next field. For the U8 group referees they stayed at one field.

The U6 Fun Day medals were paid for by the club. The club also purchased large freezies and juice boxes for the players. Medals were purchased from Hebert Trophy in Pembroke.

The U8 Fun Day was sponsored by Tim Hortons. Tim Hortons provided the following: medals and individual team coloured donuts. The club bought drinking boxes for each player.

Sponsors

Tim Hortons sponsored the U8 age group providing the following: 6 sets of jerseys with shorts and socks as well as the above noted prizes for the fun day.

Equipment

All coaches were given their team equipment the Sunday night before the first practice. All coaches met at Grouse Park to get their bags and had a chance to ask program questions.

U8 Extended Season

Some coaches were interested in extending the season for an additional 3 weeks on Tuesday and Thursdays. An email was send to all the U8 parents to gather interest. We have approx. players that were interested in opportunity. Coaches worked together to develop practice plans. The referees were not used during the extended season.

U10 Opportunity

U8 Players that were in their last year were all sent an email to see if they would like to continue playing soccer throughout the summer season with the U10 teams. Those players that expressed interest were evaluated by the U10 coaches during a few U8 games to ensure they had the skill to move up. All players were informed of the outcome.

VP External Year End Report 2016

The following is a synopsis of the 2016 season for DRAMSC divisions U14 – U19 boys and Girls.

Registration - During the 2016 season registration levels across the club were similar to the previous year with 295 players registered compared to 307 for the previous year. However the numbers can be slightly misleading as forming teams for all the divisions this year was particularly difficult. In particular we did not field either a U14 boys or U16 girls team. Players from both affected age groups were offered positions on the next divisions up for their respective age groups. If this was not acceptable Petawawa minor soccer had offered openings on their respective teams to allow these players to play in their own age group. I do not believe that any players from Deep River decided to play in Petawawa and most remained in Deep River for the season. Also as reported by the club president we are still suffering from large amounts of LATE REGISTATIONS which causes its own difficulties especially when trying to form teams during the preseason. The additional workload placed on both the club registrar and executives is not acceptable. It seems that the late fees imposed are not enough of a deterrent for late registrations especially since the club offers both on-line registration and in person at City Hall. I believe that all youth in Deep River should have the opportunity to play soccer and that the club should attempt and has provided ample opportunities for parents to register. I believe that although these fees are applied to these late registrations the Executive must come up with a firm stance on late registrations. I feel that prior to next year a clear policy should be put in place and enforced.

Teams registered in VUSL 2016 - This year Deep River fielded the following teams;

- U14 Girls
- U16 Boys X 2
- U19 Girls
- U19 Boys.

As stated earlier due to lower registration levels this year we had two less teams competing in the VUSL. Deep River teams competed throughout the summer and unfortunately were not as successful in the standings as in years past. Most of our teams ended up finishing in the lower part of the league. On the bright side, in talking with many of our players they were happy to compete and I would expect that vast majority will return next year. In the early part of the season it became clear that Deep River would have two difficult choices regarding our U16 boys. We could form one large team of 22 players or two smaller teams of 11. The executive was approached by one of the coaches who pressured for two smaller teams. Initially the executive was hesitant as it is well known that as the summer progresses many families go on vacation and numbers of players available for games becomes an issue. In previous years players from lower divisions could be called up. As we would not have a U14 team and players in

U12 are not eligible to play we would run the risk of not have enough players to compete. As the season began several late registrations brought the final number to 28 players, as the maximum number per teams is 25 the decision to create 2 equal U16 boys teams was decided. The teams were formed with the intent that both teams would have equal numbers of players by age and skill. I believe we successfully achieved this. The down side to this is that both teams would struggle against larger teams in the league. Our players remained positive and I can say their skills improved throughout the season. The integration of the U14 ages players was a success. In terms of feedback some of the more competitive players and parents some felt that having younger players was a negative and that losing the majority of the games was not popular. In reality both teams did struggle at times but if a player showed up at the pitch he was guaranteed to play and in House league that is a good thing. I also had the opportunity to watch our U19 Girls play, and although they struggled as well this season it did not appear that have younger U16 players on the team was in any way perceived as negative. In fact some of the younger players were making significant impacts on the field. The addition of U16 players on the U19 teams was also an advantage as in most years fielding a full U19 team when players have other commitments like jobs can be difficult. Although ideally having a full team in each division is best I believe the club made the best of difficult position.

This year the league also experienced the loss of Arnprior from our league, as such all divisions were smaller as those teams were not competing. The loss of Arnprior was a blow to our league but in general I believe that the VUSL is still strong and will continue to grow in the future. Currently VUSL is speaking with clubs from Barry's Bay and Eganville who may be interested in joining our league.

Cross over days and Cup Days – This year Deep River Hosted both a U19 boys/Girls Cross-over day and U16 Boys/Girls Cup day. I attended both these days to assist and I can say that they were very successful. In speaking with some of our players/parents it was nice to have the opportunity to play on our home fields. I special thanks needs to be extended to the Helmut DRAMSC President for all the effort he put forth to ensure the success of these events. I would also like to thank our referees who put in long days during these events. I would hope that next year Deep River would be able to Host some similar days.

In conclusion I believe that overall we experienced another successful season and I would like to extend a sincere thank you to our Club President Helmut for all his hard work both on the Executive for our club and the VUSL. The many hours he had put forth in both ensuring that everything went well to the hundreds of emails he has answered regarding the U19 schedules. I would also like to express my personal gratitude to all our referees whose professionalism did not go un noticed. I hope we continue to nurture our younger referees and retain our adult referees for years to come.

DRAMSC Equipment Manager Report

2016 SOCCER SEASON

Summary

This season our club entered into a one year trial contract with a new supplier, Avanti, to outfit our players and provide our equipment. This contract enabled our club to purchase complete jersey sets at an excellent price as well as an additional 10% discount on any and all equipment purchased within the contract year. These sets included jerseys in our club colors (red) along with coordinating black shorts and red socks for all players in the U10-U19 leagues. Those in the U6 leagues received only jerseys. The club also purchased additional socks for our older players so that each player would have 2 pairs. The expense breakdown is as follows:

265 Jerseys Sets @ \$21.95 each and 66 Jerseys @ \$15.37: \$7428.47

Additional socks plus a new team bench: \$1361.55

New nets for U10 goals: \$221.48

Which brings the total cost of equipment (inclusive of taxes and shipping fees)

To: \$9011.50

Sponsorship

Tim Hortons was yet again gracious enough to sponsor our U8 league this season. They provided 6 sets of jerseys kits to our players, which included shorts and socks. They also provided medals for all of the players at seasons end. A big Thank you to Tim Hortons!!

Inventory

We are in good standing. Other than the purchase of more soccer balls to replace those that are worn out, there should be minimal expense. Also because we did not have a third U10 boys team, a U14 boys team and a U16 girls team as was expected this season, we have **sets of team jerseys to use for next year, further reducing cost.

Next Season

I intend to use the same suppliers for our jerseys for next season. The company was very easy to deal with. The quality of merchandise was outstanding and delivery of orders was swift.

It was decided that we would only commit to a one year contract with Avanti as a trial. I propose we extend this contract with them. Also note, if our club commits to a 2 year or more contract, a higher the discount will be offered for uniforms and equipment.

Treasurer's Report for Fiscal Year¹ 2016

(includes estimates in italics where info is not yet available)

Prepared by Beth Whitlock, Treasurer

Financial Summary

The Profit and Loss Statement is attached with a comparison to last fiscal year. Total income of \$44,582.80 less projected total expenses of ~\$37,500 will provide a net income of ~\$7,000. This would be up from a net income of \$6,700 last year.

The total income from player registration fees is \$41,380 up slightly from \$40760 last season despite a slight decrease in registrants. We also received an increased Jr. Instructional grant from the Town of Deep River. Several registrants were supported by the Jumpstart Program this year. Sponsorships were provided by Gage Dentistry through payment for advertising on the website and by Golden Dragon Restaurant and Tim Hortons for support for team jerseys.

Marked variances in expenses included a decrease in operation costs due to the discontinuation of paid bookkeeping services. Equipment expenses were up substantially with the investment in full uniforms this year. Referee expenses and medallion costs are up. Overall SNEO expenses are projected to be consistent with last year, although there was less spent on coach clinics and more on goalkeeper clinics. Referee clinic costs were up as well. These are all good investments in our club. VUSL expenses are currently tracking substantially less than last year and final numbers will be known later this fall.

The total cash at bank as of August 31 is \$36,138.29, however there are many outstanding payables which have not yet been deducted.

The cash balance at the beginning of the 2016 season was \$19,613.17 and if the projection of ~\$7000 net income is a good estimate, the cash available going into the 2017 season should be around \$26,500.

The treasurer will apply for the Community Grant through the Town of Deep River which replaces the traditional Jr. Instructional Grant.

Financial Review for FY-2016

Review of financial data is a requirement for staying affiliated with SNEO. It is recommended that we again retain the services of the firm Sean Sinclair Chartered Accounts, Pembroke to perform the review of the 2016 finances.

¹ The fiscal year is defined as parallel to the calendar year, i.e., January 1 to December 31.
