

WHITE TOWNSHIP RECREATION AND S&T BANK ARENA RE-OPENING PLAN

Cleaning

- Staff will be diligently cleaning, disinfecting, and sanitizing high traffic areas, i.e. indoor & outdoor restrooms, lobby, common spaces daily & as needed
- Lower traffic areas will also be cleaned at a higher than normal rate
- Custodial & Operations staff are trained/certified on how to thoroughly clean, sanitize and disinfect indoor & outdoor facilities to meet current FDA & CDC standards
- Patrons will be provided cleaning materials upon request if they identify a problem area or need to clean a space before using (i.e. lobby table, bleacher seat, etc.)
- Organizations will be asked to help staff clean and disinfect during transitions - cleaning supplies will be provided. Cleaning tasks may include disinfecting locker rooms and player benches between practices and games.
- Hand sanitizer will be readily available to all patrons

Social Distancing and Masks - Current State and CDC guidelines

- Lines will be displayed on floor 6ft apart to help with social distancing while in line
- Masks will be worn by employees anytime social distancing is not possible
- Patrons must wear a mask in common areas and any time social distancing is not possible. Children (5 and under) or adults with medical conditions are excluded.
- Masks can be removed once a patron who is participating in a program or sport enters the area of play. Coaches must wear a mask on the area of play if social distancing is not possible.
- Patrons and staff will adhere to posted occupancy levels in all rooms and areas
- The number of tables in lobby will be limited and the number of chairs at each table will be limited to 2 per table unless patrons are from the same household
- Patrons will be encouraged to sit in the bleachers during games, practices, etc. to promote social distancing in a larger area
- During transition periods (ice cuts, program start/end) Staff may direct patrons to wait or relocate to promote social distancing in common areas.
- Patrons will not congregate in large groups (inside or outside)
- Patrons should Not linger in building after program, ice time, etc. is over
- Parents are asked to limit family and siblings in the building whenever possible.

Locker Room and Meeting Room Access

- Changing rooms will be prioritized for older groups – in most cases changing rooms will not be provided to U10 and U8. All age groups are encouraged to show up dressed.

- Maximum capacity in a locker rooms will be 8 and in the meeting rooms 10 – Organizations will be responsible for ensuring capacity requirements are followed. Teams will be provided two rooms when possible.
- Shower access is not permitted under the current State and CDC Guidelines.
- Organizations must call ahead to request meeting rooms and should not expect access on short notice. Meeting rooms are planned to be used as extra locker room space.

Concessions

- Our concession stand will remain closed until CDC and State Guidelines change
- Vending machines will remain open and available.

Enforcement

- White Township staff will be diligent in enforcing this plan and has the right to remove patrons from the building who do not comply.
- The follow steps will be taken:
 1. Friendly reminder
 2. Verbal warning
 3. Removal from the building

Notes for the upcoming season

- White Township Staff will need the help of our organizations and patrons to maintain a safe and compliant building. We will be asking organization and patrons to self-police and follow written and posted plans despite personal opinions and inconveniences.
- All it takes is one bad photo or upset customer and this facility may be shut down.
- We all need to work together to ensure a safe and enjoyable facility.

This Plan is subject to change daily and will be amended based on CDC and State Guidelines.

**Ryan Shaffer
Recreation Director**

By signing this Reopening Plan the signee agrees to follow and assist White Township in implementation and oversight.
