

Lakes Region Youth Hockey Association

"Everyday is a good day for hockey."- Mario Lemieux

June 2019

It would seem that summer is finally upon us and we are already busy thinking about the upcoming hockey season. It will be here before we know it.

For the first time ever, the Lakes Region Youth Hockey Association is looking to put together a program booklet. We are reaching out in hopes that you will consider placing an ad in our booklet. The program booklet will contain player photographs and advertisements. It will also be a great way to show love and support for your favorite Laker skater. The program booklet will reach hundreds of Lakes Region families and consumers and is a perfect opportunity to showcase your business or write words of encouragement to your favorite Laker while supporting an amazing organization. The program booklet will be available at all home games during the 2019/2020 season.

All the money raised will go directly to the Lakes Region Youth Hockey Association and will help cover the operating costs which include, but are not limited to, ice time for games and practices, equipment, and tournaments. All donations are tax-deductible!

We appreciate all our players, parents and supporters. Thank you in advance for your encouragement and support of the Lakes Region Youth Hockey Association!

Sincerely,

Caroline Drouin
