## 2019 Raider Classic Tournaments Inclement Weather Policy

Our tournament is structured to provide three (3) games at minimum for all teams in attendance with a set number of teams playing additional games in bracket play.

In case of inclement weather, the NYBA reserves the right to alter the structure of the tournament to accommodate a complete tournament using the fields available in Northfield and surrounding area. In the event of a rainy weekend, teams may play in rainy or wet conditions.

We strive to reschedule games and move resources accordingly to complete the originally scheduled tournament.

Field locations are listed below and are subject to change. We will be posted weather and field conditions on the tournament home page via our website.
