

Bellville Little League

To our loyal sponsors,

As the 2024 Bellville Little League season quickly approaches, we wanted to take some time to thank those who have supported the league in the past. It cannot be done without our loyal sponsors and we hope you will continue to support us in providing the youth of our community the best Little League experience possible.

We continue to be extremely frugal without sacrificing safety. We work hard to provide facilities the entire community can be proud of, and an experience that the children of Bellville Little League will cherish forever. Our batting cages have been upgraded with LED lights and are now covered, so batting practice can go on rain or shine! Our fields stay in immaculate shape and are the topic of conversation for all of the out of town visitors that come through our facility. We continue to look for ways to maximize each dollar that comes in to the league and we are proud that we have not had to raise registration costs.

If you were a sponsor last year, please consider renewing your sponsorship for the 2024 season. There is always a need for new sponsorships as well! The Bellville Little League truly appreciates your past support and we hope you are able to continue that support this year.

Please let us know if you have any questions related to the Sponsorship Form included with this letter. We are looking forward to a fantastic season!

With Appreciation,

Bellville Little League Board of Directors
