

LEARN TO SKATE CLASSES

Come Skate with us on Saturdays and Tuesdays!

We are dedicated to using Ice Skating Institute (ISI) standards for advancement of skating skills used for both figure skating and hockey. Our goal is to provide a productive and fun atmosphere for students age 3 and older, of varying abilities, to advance their skills!

- Classes are held at the Buffalo Civic Center.
- All group classes are 30 minutes for tots/beginning hockey and 45 minutes for all other skaters. All skaters aged 3-5 will exit the ice after the 30 minute group lesson. For skaters aged 5 and up, there will be a 15-minute, coach-instructed, level-appropriate structured training (power, agility, performance) either before or after the 30 minute group lesson.
- Helmets are strongly encouraged for all skaters and are required for Tot and Pre-Alpha classes.
- Class size is limited to 5-12 skaters depending on level. In the event of low enrollment some classes may be cancelled or consolidated with another level.
- It is common for skaters to stay in their skating level for more than 1 session. We have a 5 level, ISI sanctioned, hockey-specific skating program.
- We attempt to provide hockey specific classes taught by hockey skaters on both Saturday and Tuesday, but it is dependent on hockey coach availability.
