

Dear Friends & Family of The Hingham Harbormen,

We are more than halfway through the season and once again our boys continue to deliver! We have plenty of games left to play including against some of the best teams in Massachusetts. That being said, it is once again that time of the year to start preparing our 2018-2019 Ad Book. We encourage parents, friends and families to support the boys and sponsor a personal or business ad in this year's volume. Your ads and messages help create a memorable yearbook for ALL players and supports the program for years to come.
