New business

Parents of the High School team are concerned about the A or B choice for the team this year. Most parents feel they should be B. Luke motions for the board to choose for the High School team and make it declare B. No second.

3 Bantam parents were present. 9 players are a must to make a team. The bantam team had 11 players last year. Only 6 are registered currently. 3 options seem to be available. 1. Capitals combine with the Laramie B kids and make a rec team in the northern Colorado league. 2. Get enough Peewees to help create a team. 3. Bantams combine with the High School team. Keenan will be sending out an email to parents and get their input.

Will email the managers to find out how many players need game socks. Knit are \$10.99, and Mesh are \$19.99. 2 sizes small and large. Luke motions to order socks for ½ the association. Michelle seconds it.

Senior rings. We have 1 boy and 2 girls. Megan, Heather, and Eric. Caryn will email Amy on how to order them and get them coming. Team pictures will be October 17th. Keenan will contact the photographer to see if they can come Tuesday and Wednesday.

Stampede has reached out to better the relationship with the Capitals. Mark Lantz and the stampede head coach is open to helping this season. Stampede is going to hold a 3 day skills camp for the capitals players. 1 hour each session. Stampede players can help with practices as long as the head coach agrees. Talking about doing a player of the week, hardest worker, game day player and having them go on the ice for the puck drop at stampede games.
