What you are looking at is the # of athletes/event, heats, teams/event, total # of kids competing that occurred in my stadium in 2018 alone. Multiply this by 4-5 years (the length we have had the Rekortan) and we have NO lower body issues EVER. Our #'s are typical for the entire decade I have been at Parkview. We do it like no other, and have foot traffic on it like no other.
