

NORTH DELTA BASEBALL ASSOCIATION

Building Champions Since 1962

For the first time in over two decades, The North Delta Baseball Association (NDBA) is proud to offer an 18U AAA program for the 2024 season.

We are committed to developing our athletes in both the development of their game and ensuring their individual growth so they can succeed in the future.

We are looking for committed players who want to compete at a higher level. Our vision is to ensure our players grow personally on and off the field by fostering a “Team First” philosophy. They will receive experienced coaching that will give them the opportunity to excel at the AAA level at a competitive cost. Players not selected by the AAA team will have the opportunity to apply to other 18U programs.

There will be travel during the regular season which will include one or more tournaments (dates and times to be determined). Coaches will guide players to strive to be the best they can be, along with the “Team First” concept by encouraging a competitive, dedicated and strong work ethic through fundraising and community activities.

Winter training is a great chance for players interested in trying out for the AAA team to improve and develop their skills. We understand that winter training may conflict with other sports so players that are interested in trying out for the team but unable to attend winter training are asked to contact the Head Coach. Selections for the AAA team will be announced early in 2024. There may be another spring tryout announced at that time.

Head Coach, Paul Goumans
