Hello CHGS Parents,

First, we would like to introduce ourselves as the new president and vice president of Chino Hills Girls Softball. My name is Jesse Martinez, your new President and Ann Coletta is your new Vice President. We have been a part of Chino Hills Girls Softball for the past 5 years and have been involved in many different roles with the league, including parents to daughters currently playing.

We wanted to take the time to include our parents in the plan for our league moving forward. First and foremost, playing time and field space is of the utmost importance. We ask that you understand we are doing everything in our power to make that happen. We feel your frustration with the reduced field space and we are continually working with the City of Chino Hills to improve availability. Unfortunately, the fall season is not the primary season for our league and field allocations suffer as a result. Field allocations significantly improve in the spring season.

We want to thank each of you for being a part of Chino Hills Girls Softball and we truly value your contribution to the success of our league. As the new leadership team for CHGS, we are committed to improving the quality of our league in order to provide the best experience possible for each young athlete.

We invite you to please communicate any concerns as we move forward. With time and continued commitment we sincerely believe we will build a softball league that members of our community can be proud of.

Sincerely,

*Jesse Martinez   Ann Coletta*
