What are our thoughts on the Summer season?

Ideas:

- No tournaments
- No Black and Blue league play
- Smaller In-house league if possible
- Cancel summer season?

-Brandon made the motion to cancel and refund the Summer season (minus the uniform costs).  
Tim 2nd the motion. All in Favor. Approved

- Would like to have a smaller in-house league with practice if possible.
- Coach involvement: would have the same coaches with the in-house program if they are willing and feel comfortable doing so.
- Detroit Lakes cancelled Rotary Cup and 3v3 tournament and will not participate in cluster games this summer.

Ideas for in-house:

- U10 and older, U8 and under
- same price for both
- \$100 starting amount-we can change that as we decide
- Amy will get a registration set up and we can change price and activate it once we decide.

- We still have to pay MYSA player fees because of insurance
- Reimbursement for Black and Blue league play may be in the form of a credit for next year

Uniform pick up:

- Wednesday May 27th and Thursday May 28th from 5-7pm
- Parking lot in back of Brandon's office: off of 7th and Broadway, people can just drive up and pull through
- email Steph to help out
- wear masks

Equipment:

- Need to look at ordering more balls and equipment
- Volunteers to help do an inventory of equipment at Lincoln shed.
- Email Heather or Jason to help out -Do this by June 7th (our next meeting)
