

# BEAVERCREEK STARS MIDDLE SCHOOL GIRLS 2017 FALL BASKETBALL LEAGUE

The Beaver Creek Stars Basketball program will be hosting our 19<sup>th</sup> Annual Girls Basketball Fall League. The games will be played on Sunday afternoons starting August and ending October. All teams will play a total of 7 games.

The league will be a total of 8 middle school teams (6<sup>th</sup> through 8<sup>th</sup> grade). There will be 10 girls per team, keeping in mind that only 2 players from each school may play on the same team (OHSAA rule). Space is limited and restricted based on OHSAA rules. **Registration will close after the first 80 registrations.** The talent level will be balanced as much as possible across all teams. All teams will have a coach supplied but assistance will be needed with the clock/scorebook for each game.

**Please note**, this is not a teaching environment but rather a place for young ladies that have played competitive basketball to get started again for the fall. **FUN**, sportsmanship, fundamentals, 100% effort, and balanced playing time, while still being competitive, will be the goal of this league. The league is normally full well before the deadline.

All participants will be required to conduct themselves in an **appropriate** manner and under the rules of the league. This is a middle school league only. Anyone submitting a falsified registration will be dismissed from the league with no refund and will not be permitted to play in subsequent years. The Beaver Creek Stars Basketball Program reserves the right to refuse any registration.
