HARRISON HOYA LACROSSE  
**HANDBOOK**

## Welcome Message

Over the years, Harrison Lacrosse has grown to over 200 families through our Youth, Select and High School Programs for our young men and women. There is a rich tradition in our community of supporting our players and High School through their academics and athletics.

Harrison High School Lacrosse Booster Club (HHSLBC) is a 501 (c) 3 and supports the program's coaches, referees, field maintenance, equipment, transportation and player support. HHSLBC is fully funded by the Booster Club and depends on our families, community and business partners to help raise the necessary funds to run a competitive program each year.

We are looking forward to the season and building our teams for success in 2023.

## Our Mission

Our goal is to help our student athletes develop teamwork, good sportsmanship, perseverance, and self-esteem.
