6. Coach's Corner

Coach Wallace

95% of equipment has been turned in. Wallace will reach out to the players to receive the remaining items.

Recruiting website: Coach has talked to the boys about recruiting. The website has a 30 day free trial and he recommends the boys take advantage of this.

Coach has asked each of the boys to make a list of the schools they are interested in. They need to make 3 lists.

1. Your dream schools
2. Schools you feel you have a chance to go to
3. Small schools/JUCO

Need to start communicating with Coaches by email/video. Colleges cannot go out and watch until July 1st so they have time right now to answer emails and watch videos.

One thing Coach stressed is the boys need to be working out. One thing the college recruiters talked about is they are interested in seeing what the players look like coming out of this shut down. Did they work out or did they sit around and play video games.

Coach thanked everyone especially Mike Brown for amazing job.

7. Conclusion
