

Pewaukee Basketball Club, Inc.
2025-2026 Club Program Information

Club Program

- Eligibility requirement one of the first two statements meets requirement:
 - Students who are currently enrolled and attending the Pewaukee School District are eligible to participate in the club program.
 - Club roster may include up to 20% of a roster with a student attending a private/parochial school in the area as long as the family's residential address resides within the boundary lines of the Pewaukee School District.
 - Private School family signs a letter of intention their child will attend Pewaukee School District starting in 9th grade.
- Great competition, fundamentally driven and good learning experience for kids.
- Goal is to improve individual skills of each player and strengthen basketball program in Pewaukee.
 - Building strong fundamentals; instilling a competitive drive with a mental toughness and commitment is required.
 - Provide balance between being competitive, and providing playing opportunities. **Opportunities provided does not mean equal playing time.**
 - Success is measured by improvement of individual player, and overall improvement of the team. **Success is not measured by wins and losses although there is a desire to win!**

Participation Levels

- Two teams per grade depending on number of participants trying out and skill level.
 - Both tryout numbers and skill (talent) level are factors in determining number of teams.
 - Maximum number of players per roster will be (10) players per team; Minimum of (7-8) players per team.
 - New Students in the fall will be provided opportunity to tryout; team rosters may be adjusted accordingly.
- Two teams in the same grade, may practice together, although they will play separate league and tournament schedule.
- Players may move from roster-to-roster as necessary. Determined by Program Director.

Tryout Information and Process
