Stagger practices again like last year. 8U, maybe shorten their practice.

Policy for play up and advance play does not apply to 8U.

The board needs a copy of the play up and advance play policy to look at. We should keep this posted on our website all year.

Skills placement begins in September.

Idea, bring a friend to recruit more players. If friend signs up the player will get money off of their registration.

Idea, adult learn to play hockey.

Idea, kids vs parents at the beginning of the season.
