

This is a big week for us. Tuesday is Senior Night and the playoffs begin on Thursday Night.

A couple of important details:

1. All pregame meal and activities on Tuesday will be at Kayla Pagel's house beginning at 4:00 p.m. Please make sure that you have everything you need for the game. We will be going straight to Carthage College from the Pagel house.

Pagel address:  
2305 16th Place  
Kenosha, WI 53140

2. The game has been moved to Carthage College. As has Thursday's game. I needed to be sure that these games get played and our field has been less than reliable.

3. Thursday is the start of the post-season. We will have a walkthrough from 9-11 a.m. The girls will be back at SLHS at 5:30 p.m. for team talk.

4. If we win the Thursday game, we would play on Saturday. The opponent will most likely be St. Cat's. The location and time of this game has yet to be determined and likely won't be until Friday.

5. With our first playoff game on Ascension, I am working on finding a local pastor to lead us in a special devotion on that day.
