

CSC - Admiral FAQs – Update 5/22/2019

1. How do I order CSC Uniforms/Practice Kits/Additional Items (e.g. Balls, Keeper Gloves, purchase individual training tops, socks, etc.)/ Spirit Wear? How do I make sure I order the right kit and number?

- A) Admiral is CSC's official uniform supplier. Admiral offers great pricing, high quality products and online ordering.
- B) CSC uploaded every player to the CSC Admiral webstore by team, player name and number (numbers have already been assigned by your coach).
- C) All CSC Admiral uniforms and additional items will be ordered online and shipped to your home. Please go to CSC's home page, (below). You will find a drop menu on our CSC Webstore. Select your child's name and his/her number will self-populate once you select the correct team. Please contact your Coach and/or Team Manager if your child's name does not appear or if the number is incorrect and/or missing.

2. What is the training kit and why do I need to order a training kit?

- A) The club requires players to wear appropriate training kits for multiple reasons. The main reasons are uniformity, safety and the training top can be used as a third jersey.
- B) Every player will be practicing in the United Training top, black shorts and light blue socks (same socks they will wear for the games). The training top will have the player's number on the back and can be used as a third jersey if necessary or as a keeper jersey. We recommend buying two practice jerseys, but not necessary. **Returning players may wear the blue socks from previous years (Admiral/Lotto/ Russell) if they are in good condition.*
- C) **Very important - the 2011 and 2012** player pools will be using the training jersey as a practice kit and a game jersey to minimize cost. They will also wear a maroon jersey with the player's number on the back.

Again, players will be required to wear the training kit (United training top, black shorts and light blue socks at all team training sessions (same socks they will wear for the games).

3. Do I need to buy the black Admiral shorts for training?

- A) **Very Important: 2011 and 2012** player pool will be practicing and playing games in **ALL Black** shorts. You do not need to buy the admiral black shorts as long as you **GUARANTEE** that your child will always **wear plain** black shorts at practice and especially at games. The same black shorts can be worn for practices and games. We strongly encourage everyone buys at least one pair of the admiral black shorts for games.
- B) Every player in the 2010 and older age groups will be practicing in black shorts. You do not have to buy the Admiral shorts; any black shorts will do if they are predominantly black. However, we recommend buying admiral shorts if necessary and the price is extremely competitive compared to other options. You may compare prices for your own validation.

4. My child is a returning player. Can my child wear the uniform that he/she used in previous years (Lotto/Russell/Admiral)?

- A) Returning players can use their Admiral, Russell, and/or Lotto kits if they are in good condition. CSC selected Admiral because they were able to match our existing sublimated game kits (2010 and older).

5. My child is a returning player. Do I have an option of only replacing socks, jerseys, or any combination of required items?

- A) Returning players may purchase individual items from the CSC/Admiral Webstore. Please visit our website <http://www.clarksvillesoccerclub.com> to order your uniform. Click on the CSC - Admiral Web store link.

6. How do I make sure I order the right kit and number?

- A) CSC uploaded every player in the club to the CSC Admiral Web store by team and player name and number (numbers have already been assigned). For the most part (99%) of returning players will retain their existing numbers.
- B) New Players will be assigned numbers based on birth year (odd birth year will be assigned odd number and even birth year will be assigned an even number). Everything is drop a down menu. Your child's number will self-populate once you select the correct team and click on his/her name. Coach will resolve all number conflicts.

7. How do I order and pay for my child's kits?

- A) The website will be live after tryouts on June 15th.
- B) Admiral offers a Pay Pal option and a Pay Pal deal for purchases over \$99 dollars which can be paid over 6 months "same as cash".

8. Will Admiral deliver to my home?

A) Yes, Admiral will ship orders directly to your address of choice. The club took the Team Managers out of the uniform ordering process. We appreciate our Team Managers very much and this was a daunting task in previous years!!

9. How much is shipping?

A) Standard UPS shipping rates apply and are contingent on net weight.

10. Is there a deadline to order uniforms to ensure my son/daughter has them before the season starts in August?

A) Yes, please order by the deadline of Thursday June 27th for a delivery by Monday Aug 5th. Please do not wait until the last day to order. It is essential that you place your order before the time clock runs out on the CSC Admiral Web store or your son/daughter will not have the necessary kits to play.

11. **What if I order after the deadline of June 27th?** I am new to the club and/or I did not order replacement items before the deadline. I must order a complete practice, home and away kits, and/or replacement items for a returning player. How long will it take to receive my order if I order after the deadline (June 27th)?

A) Our CSC kits are considered a custom sublimated kit. Typically, Admiral requires 40-45 days to produce and deliver a custom kit.

Thank you and please feel free to contact your Team Manager, Coach and/or a Board Member if you have any additional questions.

Additional Resources - 2010 and Above
