### **What is Scrip?**

Scrip is a term that means “substitute money”. When you purchase scrip, you are purchasing negotiable gift certificates that are used just like cash. The scrip is issued by the national and local retailers where many of you already shop. These merchants want to support non-profit organizations and in return ask you to support them by shopping at their stores. You can use scrip to purchase everyday expenses like food, clothing, and other essentials, and with every purchase - you earn credit for your FUNDRAISER ACCOUNT!!

### **How to Participate?**

Look over the scrip order form and decide what you would like to order. Please note the different denominations. After you determine your order, indicate the number of physical gift cards desired and total dollar amount of the scrip. Complete the information for your player in the right-hand column of the order form.

**Remember** – this option is a year round option with your purchases before January 1, 2024 being credited to your 2023-2024 Fundraiser Fee. After January 1, 2024, your purchases will be credited to your Fundraiser Fee for the next season!

The reason for the effectiveness of scrip is simple: Families can earn credit by making purchases they would make anyway!! You can earn Fundraiser Fee credit without spending an additional penny!!
