### Wauwatosa East Guidelines - Girls Swim/Dive Invite

Wauwatosa East has the following guidelines for home events in the 2021 fall sport season.

- **Masks must be worn indoors by everyone.** Exception for athletes while they are in the pool, they do not need to wear a mask. When athletes are out of the pool or dive tank, they must be masked up.
- All athletes should bring their own filled water bottle. There are fountains in the hallways and locker rooms for refilling.
- **Athletes not competing, should remain outside the gym in the designated team area. Swimmers in the next three events will be allowed to stay in the pool area in their team designated area.**
- Spectators should maintain a social distance of 3 feet to the best of their ability.
- Concessions will be available. No food in the pool area. All food must be eaten in the cafe/learning center near the concession stand. Drinks are allowed in the pool area.
- Admission will be charged at \$5.00 for adults and \$4.00 for children. Cash will be accepted.
- An athletic trainer will be on site and available. The training room is located in the hallway between the gym and pool/locker rooms in room 156.
- **Entrance into the pool area will now occur at the new east door entrance directly into the pool area, not from within the school.**

We thank you for your understanding and cooperation with these rules in order to host the invite as normal as possible.
