

2025 Sponsorship Opportunities

The Solomons Boys and Girls Club, Inc. is a nonprofit youth club that offers the children in our area recreational football, cheer leading, and lacrosse. We work hard to provide participants with a safe environment where they can learn and master the team sports experience. In doing this they will learn essential life skills and discipline such as teamwork, problem solving, self-awareness and growth as well as creative and critical thinking.

Prices for youth sporting equipment and uniforms have significantly increased over the last few years, and our priority is to keep our registration fees as low as possible for the families of Southern Calvert County.

Sponsorship funds cover the following:

- Uniforms
- Registration Fees
- Gear including helmets, sticks, chest pads, and gloves.
- Balls

Lacrosse is believed to be the oldest team sport in North America, originated by indigenous tribes more than 1,100 years ago. Today lacrosse is one of the fastest growing sports with one of the highest percentage rates for college scholarships.

Thank you,
