To: Youth Baseball Patrons

Dear Patrons,

First and foremost, thank you for your consideration of supporting Lake Youth Baseball. Without the generosity of local, civic-minded businesses, we would not be able to provide an affordable recreational baseball program to the youth in our area. Our board and coaches take pride in teaching our youth fundamental baseball skills, the value of teamwork and the importance of sportsmanship within the game. Your support directly enables us to continue these efforts.

Our 2024 season will involve nearly 500 kids between the ages of 4 and 14 playing on sixteen fields scattered throughout Lake Township. Since we do not have the benefit of a Parks and Recreation Department within our community, Lake Youth Baseball must fund their program solely through registration fees and contributions from individuals and businesses. In 2022, we spent approximately \$100,000 to provide recreational baseball to the youth of the community. Naturally, our expenses do not reflect the hundreds, if not thousands, of hours of labor donated to us by our parents, coaches, and others – something we are truly lucky to have. We need more though. Specifically, we need more money to conduct larger field projects and facility upgrades. We are asking for your help.

We have several sponsorship packages available, as detailed on the next page. Should you not see a package that matches your interest, but you would still like to help us out, please contact me at your earliest convenience and we will discuss other options. If you do see a package that is of interest, simply indicate as such and get the form **back to us by February 19**. We will gladly accept your payment with your sponsorship form, or we will work with you to provide an invoice or payment plan should that better accommodate your budget.

In closing, we would again like to thank all of you that have supported Lake Youth Baseball's commitment to the youth playing on our teams. We hope that our kids can count on your continued support. For those of you thinking of supporting us for the first time, we are grateful for your consideration. If there is anything I can do to answer any questions you may have, please do not hesitate to call, text, or email me. On behalf of Lake Youth Baseball, I hope you, your family and your organization have a wonderful year!

Sincerely,

Joe Marshall
