

CEVA CLUB DIRECTORS' UPDATES – 8/17/2023

- **If you haven't activated your club yet for the 23-24 season**, we encourage you to do it now and get it out of the way. Start with [purchasing your membership](#) for the upcoming season and signing your Club Directors' Handbook, which was sent to you on 8/1 via DocuSign. Contact [Alix Montoya](#) if you have questions on this process.
 - o Remember – your background screen is a separate process & purchase, and you need to complete Safesport, for your membership to be fully eligible.
 - o Make sure, once you purchase a membership, that you **send a club assignment to yourself** so you maintain access to your club's HQ and can be placed on your own rosters.
- Watch our website for information on how to build rosters in SportsEngine this year. It's a slightly different process than in past years and will be the same process for all clubs. You can view our SE & AES help resources [here](#).
- **Junior Memberships will open on 9/1.** Please encourage your players to purchase a tryout membership then upgrade to a full-season membership once they make a team.
- **Tournament registration starts on 10/2.** Events open for registration will include our Kickoff Tournaments, Presidents' Day Weekend events, and Friendship Tournaments. All will be open at 9:00 AM via AES and will remain open until capacity is reached. Remember that payment is required for teams to be accepted. See our deadlines and refund policies [on this chart](#) and read more about payment policies [on the website](#).
- As part of CEVA's continued investment back into the region, we are launching our **Equipment Grant Program** on September 1. This will be community programs, schools, and clubs an opportunity to apply to the region for free youth volleyballs, facility equipment, and more. Keep an eye on our website for more information soon.
- CEVA invests significant financial resources back into the region through various initiatives and continues to seek avenues for community involvement. We will give more than \$10,000 in reimbursements to clubs and officials who attended USAV national championship events. We will have approximately \$50,000 in financial aid available in 2023-2024 for our scholarship funds. We also continue to assist coaches who wish to attend the AVCA Convention.
