

Eastern Collegiate Volleyball Association

2025-26 ECVA MEMBER GUIDE

ECVA MISSION:

The ECVA is a tax-exempt 501(c)3 registered nonprofit corporation whose mission is to promote opportunities for student-athletes to compete in highly organized and competitive intercollegiate volleyball programs within a context that holds paramount the high academic standards and integrity of the institutions the student-athletes represent, the leadership skills and personal development of student-athletes, and the continued growth of the sport of volleyball.

COMMISSIONER'S ADDRESS

Dear Club Officers and Coaches,

Welcome to the 2025-26 school year! As I enter my 20th year as Commissioner of the ECVA, I am truly humbled by the incredible growth I've witnessed during the past two decades. When I took the reins in 2005-06, our league (known as the "EIVA" back then), had fewer than 30 teams. This year, we may welcome upwards of 175... and that's just on the indoor side! Whether it's indoors, on the sand, in the grass, or even the snow, our beloved sport continues to gain popularity, and participation is increasing.

Last year was a year of firsts for the ECVA, as we launched a women's season for the first time, and piloted our first ever beach events. This year, we are primed for tremendous growth on all fronts, and we are eager to collaborate with YOU, the *real* stars of our sport, to make it all happen. As a leader of a collegiate club volleyball program, you are responsible for creating opportunities, establishing and maintaining traditions, and fueling the growth of our sport. On behalf of our entire ECVA administration, I want to express my sincere gratitude for your time, energy, and collaboration. I genuinely believe that with your passion and ingenuity, coupled with our league's organizational support and guidance, we will continue to make history and take our sport to new heights.

This membership guide includes important league registration guidelines, and information that all indoor teams will need to be aware of as we look ahead to the coming year. Please take the time to read through it carefully and reach out to your respective Divisional Director and/or me with any questions or concerns. Whether you're a veteran coach, returning club officer, or getting involved for the first time this year, know that the entire ECVA administrative team appreciates your leadership! We are extremely proud to serve you, and we aim, as always, to make sure you and your team enjoy the opportunities and recognition you deserve.

Sincerely,

Dr. Neiad Ammary

ECVA Commissioner & Board President

Member, NCVF Board of Directors

NCVF Advisory Council Chair

NCVF Men's Ranking Committee Chair

INDOOR TEAM REGISTRATION INFORMATION

All teams, both returning and new, must complete their online registrations on the ECVA website by **December 1st**, in order to be members for the 2026 season. All teams are also able to choose whether to pay online or by mailing in a check. We hope the online payment option helps you to avoid the late fee.

The ECVA men's team membership fee for the 2026 season is \$875.00 per team if registered prior to 12/1.

The ECVA women's team membership fee for the 2026 season is \$725.00 per team if registered prior to 12/1. **This reduced fee is part of a promotional discount as we build our women's league. In future years, we expect to raise the fee to match the men's fee.*

Note: the cost of joining other comparable leagues, such as MIVA (\$1,350 - \$1,600 per team), SCCVL (\$1,200), MWPVC (\$1,150), and NECVL (\$1,000 per team) is considerably higher. Unlike other leagues, we are proud to be a nonprofit that aims to offer a great experience at a price clubs can afford! Your membership fee includes:

- Official ECVA membership^
- Official National Collegiate Volleyball Federation (NCVF) membership. The NCVF provides a wide range of services to the teams nationwide, including national rankings, best practices, eligibility rules, technical services, member benefits, etc.
- A \$250 discounted entry fee for the NCVF National Championships. In other words, "independent" teams that don't belong to any NCVF sanctioned leagues and are unregistered with the NCVF pay \$250 more to enter the national championship tournament. The current rate for ECVA teams is \$950.
- A state of the art league website (www.ecvavolleyball.org), with a customizable page for your team.
- A minimum of 6 guaranteed matches (at least 3 per league event). Most teams typically play at least 10-15 matches.
- Referee fees for Divisional Play Dates.
- Referee fees for Divisional Championship events.
- Divisional awards.
- Free entry in the ECVA East Coast Championships for qualifying teams.
- Player and team awards at the ECVA East Coast Championships.
- Reimbursement of the NCVF National Championships entry fee for the ECVA Champions in both Division I and Division II.
- Improved organization, communication, and administration for the entire ECVA, and for the National Collegiate Volleyball Federation (NCVF).
- Eligibility for AMAZING discounts on volleyball equipment and apparel from our league sponsors. Sponsorship info will be included in a separate communication.

^Note: The cost is \$875 *per team*, so if your school would like to enter more than one team, you will have to pay more than one fee. All 'B' teams will be placed in the ECVA's Division II.

TEAM REGISTRATION INSTRUCTIONS

1. Go to www.ecvavolleyball.org
2. Click the red icon that says “**Registration.**”
3. Scroll down to the bottom of the registration “**Welcome**” page. If you are a returning user, **log in** using your credentials. **If you are a new user, create a new account** with SportsEngine.
4. Once logged in, select “**User Mode**” in the corner of the screen.
5. **Create a Team Profile** account.
6. On the left hand side of the screen, select “**Register A Team.**”
7. Select “**A Team.**”
8. **Enter ALL of the required team and player information.** Do not leave any fields blank. You will have the ability to go back and edit it anytime later if necessary.
9. After completing payment, be sure to click all the way through and **submit** your registration. Do not log out without submitting it. When completed, an email receipt will be sent to you.
 - If you choose to “Pay Offline” by mailing a check, please follow the mailing instructions listed on the screen. If your college or university requires an official invoice with an EIN number from the ECVA, please email ECVA Commissioner, Neiad Ammary, at nammary@ecvavolleyball.org
 - Please also note that if you choose to “Pay Offline,” you will NOT be able to pay online with a credit card at a later date, without having to re-do the entire registration from the beginning.

Additional Note:

TEAM PAGES: All ECVA member teams are invited to take advantage of a free team web page hosted by SportsEngine. The individual that registers your team online will be given editing privileges to your team’s page, which will be linked directly to the league site. Other individuals may be given editing permissions if requested. You may upload roster information, a team schedule, photos, videos, and other information to your team page. Your team account with SportsEngine also offers you a host of organizational features to help you manage your team. For instance, all of your team communications can be managed directly through the site by your page administrator(s).

NCVF REGISTRATION

IMPORTANT: After completing the ECVA registration, all teams must also [register or update their team account on the NCVF website](#). You, or a previous officer from your club, should already have your login credentials. If not, please refer to items on the [Vbreg Help Page](#). Note that the NCVF charges teams a \$50 fee for annual membership. You do NOT have to pay that because it is already included in your ECVA membership fee. Select the option titled “My league pays my team’s NCVF membership fee.” Be sure to update your team’s roster and information regularly on VBreg throughout the year. We will use those rosters to determine player eligibility at league events!

ECVA COMPETITION REQUIREMENTS:

1 Divisional Play Date (mid February)

+

1 Divisional Championship (mid March)

+

ECVA East Coast Championship (late March/early April, for qualifying teams only)

- Each year, there will be one Divisional Play Date for each division held during mid-February of the regular season. This ensures that each team has the chance to play all of its divisional foes at least once each year. The results of the Divisional Play Date will determine divisional standings and seeding for the Divisional Championship events, which typically occur in mid-March. The combined results of the Divisional Play Dates and Divisional Championships will determine which teams qualify for the ECVA East Coast Championships, held annually on the final weekend in March.
 - o Please note that in the month of March, many schools are on Spring Break. That conflict is unavoidable, regardless of which weekend an event is held. Teams who are on Spring Break should plan in advance so that they can participate in the Divisional Championships. In effect, those teams may have to sacrifice 1-2 days at the beginning or end of their Spring Break in order to fulfill their league competition requirements. Teams will not be reimbursed any portion of their league entry fees if they choose not to participate in a league event.
- Participation in the Divisional Play Date and Divisional Championship is *mandatory* for all teams. Teams electing not to participate in league events without obtaining an official written dispensation from the league Commissioner may be deemed not to be in good standing with the ECVA and NCVF as a result.
- If a team fails to participate in a divisional event without obtaining an official written dispensation from the league Commissioner, all divisional matches for the team for that event will count as losses for that team.
- The goal for each divisional play date is for each team to play every other team in its division in a best 2 out of 3 match or best 3 out of 5 match, in order to determine a clear winner. If scheduling problems (facility constraints, number of matches needed, etc.) or player safety concerns do not permit the completion of a full round-robin, Divisional Directors reserve the right to modify the competition format. Divisional Directors may reduce the number of matches played by each team to no less than three in a given event, in order to ensure adequate and equitable competition. Divisional Directors will also be in charge of collecting all data related to the competitions (Results must be entered into the NCVF VBreg database no later than 48 hours after the event ends..
- Any team in a particular division is eligible to host a Divisional Play Date or Divisional Championship. Schools that wish to host regular season events must complete the [“ECVA Event Hosting Application”](#) and submit it to their Divisional Directors by no later than December 1st, prior to the official start of the regular season. Hosting generally

will be awarded on a first-come, first serve basis, but the priority will be given to applicants whose facilities are most ideal for the needs of the league (ie. the date of availability, number of available courts, location and accessibility, etc.). Final decisions about host dates and locations ultimately will be decided by each Divisional Director.

- The ECVA administration reserves the right to reschedule events if doing so is deemed to be in the best interest of the majority of the teams involved, but every effort will be made in order to adhere to the annual schedule and hosting applications submitted by teams.

ECVA EAST COAST CHAMPIONSHIP QUALIFICATION PROCESS

ALL DIVISIONS:

In order for a team to qualify for the ECVA East Coast Championship tournament, the following criteria must be met:

- A. The team has completed ALL divisional play requirements. All regular season divisional matches are approved and monitored by the appropriate Divisional Director.
- B. Results of divisional play are appropriately recorded and submitted by the Divisional Director within 48 hours of each event's completion.

Notification of Qualification: No later than two weeks prior to the ECVA East Coast Championships, the ECVA Executive Committee will announce qualified teams.

The ECVA East Coast Championships will consist of a Division I tournament and a Division II tournament, each with up to 16 teams. Qualifying spots will generally be allocated as follows:

DIVISION I	DIVISION II
<ul style="list-style-type: none"> ● 4 North ● 4 Central ● 4 South ● 4 Southeast 	<ul style="list-style-type: none"> ● 4 North ● 4 Central ● 4 South ● 4 Southeast

*NOTE: If a qualified team chooses not to attend the ECVA Championship, an “At large” or “Wildcard” qualification will be determined by the ECVA Executive Committee based on cumulative divisional results and may be awarded to a team from any division.

The qualifications will be determined as follows:

- The top 2 teams from the Divisional Play Date will qualify.
 - The 3rd and 4th qualifying teams will be the highest placing teams at the Divisional Championships that have not already qualified (above). Note – this is the only way for a team to qualify for the ECVA championships without attending the Divisional Play Date.
 - The number one seed from the Division for the ECVA Championship will be the winner of the Divisional Championships
- A. If two or more teams are tied (have identical match records/winning percentages), the following process will be used to determine final standings:
- I. Head to head match record between tied teams
 - II. Head to head game record between tied teams
 - III. Point differential of the matches between tied teams
 - IV. Point differential of total divisional competition
 - V. Coin flip

AWARDS

Each year, the ECVA recognizes outstanding teams and student-athletes with a wide range of awards. Awards are determined via ballots cast at the Divisional Championship and East Coast Championship events. Distribution of awards generally occurs at the ECVA East Coast Championship tournament. This year, the league will offer the following awards:

DIVISIONAL AWARDS (for all divisions):

- Team plaque for division champion
- Gold medals for division champion
- Silver medals for division runner-up
- Individual plaques for players selected as Divisional All-Stars
 - o Each Divisional All-Star team shall be comprised of 7 players (6 + 1 MVP)

LEAGUE AWARDS

- Team trophy for Division I champion
- Gold medals for Division I champion
- Banner for Division I champion
- \$1,000 Prize/Reimbursement for entry into the NCVF National Championship Tournament for Division I champion
- Team trophy for Division I runner-up
- Silver medals for Division I runner-up
- Team trophy for Division II champion
- Gold medals for Division II champion
- Banner for Division II champion
- \$1,000 Prize/Reimbursement for entry into the NCVF National Championship Tournament for Division II champion
- Team trophy for Division II runner-up
- Silver medals for Division II runner-up
- Individual plaques for players selected to the All-ECVA team
 - o There will be separate All-ECVA teams for Division I and Division II
 - o All-ECVA teams shall be comprised of 7 players (6 + 1 MVP)

ADDITIONAL AWARDS

- Additional awards for teams and/or individuals may be included, in accordance with league sponsorship agreements.

BUDGETING AND PLANNING RECOMMENDATIONS FOR YOUR CLUB

As former club presidents and players, our league administrators are sensitive to the reality that most clubs face significant challenges when it comes to funding. To make the most of your team's experience each year, it is important that you discuss your competitive goals with your team and school administrators, and budget accordingly. We encourage all of our teams to engage in strategic planning so they can compete at the highest possible levels. Thus, we offer the following recommendations for a minimum budget per team:

ECVA Registration	\$875
NCVF National Championship Entry	\$950 (See note 1 below)
Entry fee(s) for at least one NCVF recognized event outside of the ECVA	\$500 minimum (See note 2 below)
Travel	\$5,000 minimum (See note 3 below)
Discretionary funds for uniforms, apparel, and equipment	\$1,000 minimum (See note 4 below)
TOTAL =	\$8,325 minimum

Notes:

1. While participation in the NCVF National Championship tournament is not mandatory, most collegiate club volleyball players find it to be among the most rewarding and memorable experiences in their collegiate careers. We encourage ALL of our teams to go!
2. Performing well within the ECVA is critical if your team wants to earn a national ranking and prepare for nationals, but exposure to non-ECVA teams may help as well. We recommend teams participate in at least one event that features teams from outside their region if possible. The top teams in the nation routinely attend 1-3 such events each year during the regular season.
3. Some travel (usually via car) is necessary to compete in ECVA events. If your team goes to nationals, flights and lodging may be necessary as well. If your team travels out of your region to participate in a non-league event, you will incur more travel expenses. Travel is likely to be the biggest portion of your club's budget, especially if your team goes to nationals.
4. You can save money on uniforms, apparel, and equipment by taking advantage of the incredible sponsorships we have secured for all of our teams! See the next section.

SPONSORSHIP INFORMATION

The ECVA is proud to offer members incredible discounts on a range of products from the following sponsors:

- REN Athletics (uniforms & apparel)
- BSN Sports (uniforms, apparel, shoes, and equipment)
- Slunks (uniforms & apparel)
- All Volleyball (uniforms, apparel, shoes, and equipment)
- Molten (volleyballs)
- Blenders (eyewear)

We encourage all teams to take advantage of the great offers that we have negotiated for our members. In a world where club volleyball programs rarely get the institutional resources necessary to reach all of their goals, it's important to support those who support you!

For pricing and ordering, please refer to the information on the following pages.

Eastern Collegiate Volleyball Association

REN Athletics – 45% Team Discount!!

ECVA Clubs:

We are excited to announce REN Athletics as a sponsor of the ECVA! REN has been a strong partner for the collegiate club league and clubs in Southern California (as well as countless juniors clubs) and the company is excited to offer its products and support to ECVA registered clubs.

REN is a volleyball specific company created by volleyball people with a focus on providing the highest level of customized apparel to the volleyball community.

All of our sublimated garments are 100% custom. We allow the athletes to work with our designers to create the exact look they want! It is a pretty fun process! Please encourage athletes to give the design process time as we want to make sure that we get them a custom, physical sample for approval before going into production. When they reach out for the initial inquiry, I will answer all other questions / walk them through the process.
-REN Athletics

As part of this relationship, **REN will offer all ECVA registered clubs a 45% discount on their full lineup of 100% customized apparel and has pledged additional support to the NCVF and leagues.** While countless other companies have prioritized juniors and varsity programs, REN recognizes the leadership and passion that collegiate club athletes bring to the sport and is making a major commitment to support our clubs and organizations; supporting them for supporting you is a great way to ensure their continued support!

An initial pricing sheet is attached. To begin the customization and order process, simply email Delaney Bell and she will walk you through each step of the process.

Contact Delaney Bell by email at dbell@renathletics.com or by phone at 817-789-9932.
