

Prior Lake Basketball Mission Statement:

The Prior Lake High School Boys Basketball program strives to develop young people into successful athletes and leaders with character, both on the court and in life.

“It’s not human nature to be a champion. Human nature is to be average, to get by, to do what you have to do to get by. You have to be special to be the best you can be. You have to be special if you want to be a champion ... I guess you have to be a champion before you can ever win a championship.”

— Nick Saban

PRIOR LAKE DISTRICT POLICIES

PL-S SCHOOLS WHOLEHEARTEDLY SUPPORTS THE FOLLOWING
FUNDAMENTALS OF GOOD SPORTSMANSHIP ESTABLISHED BY THE SSC
CONFERENCE

1. Show respect for the opponent at all times. When an opponent visits Prior Lake High School, the team and coaching staff should be treated as guests, greeted cordially upon arriving, given good accommodations, and accorded the tolerance, honesty, and generosity which all human beings deserve. When visiting another school, we should be cordial and appreciative of our host. Good sportsmanship is the Golden Rule in action.
2. Show respect for the officials. The officials should be recognized as impartial arbitrators who are trained to do their job and who can be expected to do it to the best of their ability. Good sportsmanship implies the willingness to accept and abide by the decisions of the officials.
3. Know, understand, and appreciate the rules of the contest. A familiarity with the current rules of the game and the recognition of their necessity for a fair contest is essential. Good sportsmanship suggests the importance of conforming to the spirit as well as the letter of the rules.
4. Maintain self-control at all times. A prerequisite of good sportsmanship requires one to understand his/her own bias or prejudice and have the ability to prevent the desire to win from overcoming rational behavior. A proper perspective must be maintained if the potential educational values of athletic competition are to be realized. Good sportsmanship is concerned with the behavior of all involved in the game.
5. Recognize and appreciate skill in performance regardless of affiliation. Applause for an opponent's good performance is a demonstration of generosity and good will. The ability to recognize quality in performance and the willingness to acknowledge it without regard to team membership is one of the most commendable gestures of good sportsmanship.

TEAM SELECTION

Prior Lake Basketball needs players that are invested, tough and selfless.

Coaches will always base their decisions upon the following criteria and in this order:

- What is best for the program.
 - What is best for the team.
 - What is best for the individual player.
1. The coaching staff will evaluate all players. At the end of the tryouts we will decide if and where players fit into the basketball program.
 2. The coaching staff will do it's best to place each student athlete in the best position for the individual, team, and program.
 3. It should be noted that **being selected for a team does not guarantee playing time** for each student athlete. This is determined by each coach based on numerous factors and will often vary throughout a season.

LETTERING REQUIREMENTS

In order to letter for basketball, a player must be on the varsity roster and in good standing at the end of the season.

Ultimately, decisions regarding lettering are at the coach's discretion.

CAPTAINS

Captains are chosen by the team after the final rosters have been established. Players and coaches will vote on up to 4 captains for the season. Captains are responsible for communication between coaches and players.

PARENTAL EXPECTATIONS

1. The coaching staff will be available by appointment to discuss any player's academic or social growth.
2. Coaches will not discuss decisions, strategies, or playing time. We have an open door policy with all players at all levels of our program. 3. The coaching staff will not be available to speak with parents before or after games. Please adhere to the 24 hour rule.

PLAYING TIME CONSIDERATIONS

1. The more good things a player does, the greater chance they will play. We are looking for players that make the team better.
2. Playing time is determined by execution, effort, trust gained during practice, as well as in games.
3. Good shooters get an opportunity to make more mistakes than poor shooters.

PRACTICE/ACADEMIC EXPECTATIONS

Players need to be on time for every class, practice, and game. If you show up late to class/practice you will be required to make it up after practice. For every minute a player is late it will be required they make it up after practice.

1. Players are expected to be at practice every day. Arrive 10 minutes before practice with Laker practice gear. **If a player is not wearing Laker gear, they will be asked to change before they are allowed to practice.**
2. Coaches get an attendance email everyday. Players that are tardy for class will have to make up the time after practice. Be a leader in the classroom and on the court.
3. It is the player's responsibility to inform the coach if they miss a practice, or if they have to be late to a practice.
4. If they have an injury, they need to report it to their coach.
