

## THE VAQUEROS WAY MISSION STATEMENT

We will develop highly skilled, intelligent soccer players that can adapt to the different questions the beautiful game demands.

Within our development model, we will nurture quality human beings that possess and exhibit respect, good sportsmanship, and happiness in life.

Throughout our teachings, we will impress the significance of a quality education and a healthy lifestyle.

## 5 PRINCIPLES OF THE VAQUEROS WAY DEVELOPMENT MODEL

We want our players to...

- 1) Love the Game
- 2) Receive and Dribble the Ball
- 3) Pass and Strike the Ball
- 4) Want the Ball
- 5) Competitively Greatness

## 3 RULES OF THE VAQUEROS WAY STYLE OF PLAY

- 1) Go to Goal, but when we can't...
- 2) Keep the Ball, but when we can't...
- 3) We Win the Ball Back!

## LET'S GET READY TO PLAY... THE VAQUEROS WAY!

**CONCENTRATE ON EFFORT  
AND EXECUTION  
THE RESULTS WILL TAKE CARE  
OF THEMSELVES.**

## WHAT SEPARATES US FROM THE OTHER CLUBS?

### OUR PERSONAL TOUCH!

Our coaches and staff will foster strong, positive relationships with our players AND families. We can provide more intimate relationships because, our coaching staff is NOT assigned more than two teams.

### OUR COACHES!

Because our staff only have one or two teams, they can properly focus their attention on each squad. Our coaches are well educated and have extensive soccer backgrounds with the priority being your child. With that said, we will strive and achieve victory because of the quality of our coaching staff and the players they mentor.

### OUR FACILITIES!

We have some of the best club soccer fields and equipment in the county. Coaches have plenty of field space to work with their teams; we rarely have more than one team per HALF field. Goals are always accessible for training and are often utilized to promote our desire to "Go to Goal"!

### OUR DEVELOPMENT PLAN!

Our focus is to develop technical quality, a strong mental spirit, and the competitive greatness expected in each of our Poway Vaqueros players. Once the ball is mastered, the mind is strong, and the will to compete is cemented, we will expand the tactical game to fit the needs of our teams. Ultimately, this will allow us to express our personality on the game with charisma and joy!
