

2025 HIGH PERFORMANCE FUNDRAISING CHALLENGE

THE LYNN PERROTT MEMORIAL SCHOLARSHIP FUND

Lynn Perrott was a valued leader for our region, an amazing judge, a compassionate listener, and a cherished friend. We will remember her for her sense of humor, grace and lightness—and above all, her strength and courage, especially during her journey with cancer. The Lynn Perrot Memorial Scholarship was created to offer financial support to a graduating senior. By donating the proceeds from the fundraising challenge to the scholarship fund, we are keeping Lynn’s memory alive while working together to support an athlete from our region. What a perfect tribute to Lynn!

Our teambuilding challenges at the High Performance Camp to raise money to donate to the **LYNN PERROTT MEMORIAL SCHOLARSHIP FUND.**

Team Challenge

The athletes who attend HPC are divided into “teams” by age group for the camp. Each year these “teams” have been put through teambuilding challenges to earn team points. **This year, Region 7 will donate \$100.00 for each “team” that reaches 100 points during the teambuilding challenges.**

- Clubs may “bet” on more than one “team”
