This contest is being played under the authority of the MSHSL. The MSHSL rules provide for fair play and good sportsmanship among athletes, coaches, and spectators. Since booing and jeering do not support anyone, we encourage you to give positive support to your favorite team. We ask that spectators promote the ideas of good sportsmanship by applauding fair play and by showing respect for all participants and officials.

It gives me great pleasure to welcome you to tonight's hockey game. Please sit back and enjoy the experience. Let's release the kids to the game and enjoy watching the girls display their skills and talent.

The Blaine girl's hockey team is part of a Blaine High School Activities program that represents our school with class and dignity. The young women work very hard to provide exciting entertainment and to protect the great tradition established at Blaine. The coaching staff is full of dedicated coaches who care more about the players and their development than wins and losses. We are fortunate as a community to have these coaches working with our girls. If you know Coach Guider at all, you know that no one works harder or cares about their players more. He is truly a gift to our program.

Thank you to all of our families for their sacrifices over the years. It is the true commitment and dedication from you that sets Blaine hockey apart from the rest. I would personally like to thank the parents for the sacrifices they have made over the years that allowed these young women to continue to play a sport they love. Your commitment to them will pay great dividends in the years to come.

So, as you enjoy this year's hockey season, feel the energy generated by our athletes and support them with great enthusiasm and sportsmanship! Join all the fans and enjoy the pageantry, excitement and intensity of Bengal Girl's Hockey.

Celebrate Greatness,

Shannon Gerrety

Annika, It seems like it was just yesterday when we had to tie your skates and make sure you had a snack and drink after every game. You have come so far and we are so proud of the young woman you have grown up to be. Your future is bright and we can't wait to watch you fulfill your dreams. Congratulations and best of luck in your senior year!

MAX PERFORMANCE

Your brain and body are in constant communication. The nervous system is responsible for every function and movement your body performs. Stress interferes with this system, causing dysfunction, leading to a variety of symptoms. We address the cause of the stress to allow your brain and body to communicate at an optimal level. Meaning your body can function at its best.

MAKE YOUR MOVE.
 CALL US + MENTION THIS AD.

MADE 2 MOVE CHIROPRACTIC & WELLNESS

Adjustments create a lot of positive changes in your body, but it doesn't stop there. How you train, how you sit, and how you move day to day determines how your body responds. Over time, your body creates compensation patterns. We provide individualized exercises and stretches to re-educate improper movement patterns, so you have the knowledge to move how you're made to.

PREVENT INJURY

Structural misalignments are one of the leading causes of injuries to the athlete. Our passion is to educate athletes on how to listen to their body and naturally treat and prevent injuries through chiropractic care. This includes runner's knee, shin splints, plantar fasciitis, ankle sprains, stingers, shoulder impingement, tennis elbow, neck pain, wrist pain, back pain, stress fractures, muscles cramps and repetitive muscle strains.

Minnesota Ms. Hockey Goalie Award

Let's Play Hockey annually presents the Ms. Hockey Award to the top senior high school girls hockey player in the state of Minnesota. The award started in 1996, while in 1999, an additional award was added, the Senior Goaltender Award.
