

# 2021-2022 Shoreland Lutheran Jr. Pacer Basketball JP B-ball News & Notes: Week of January 9-17 2022

Week # 8

**"LEAVE NO DOUBT"**

## Jr. Pacer Program News & Notes:

### 1) Attendance:

*Dear parents and players,*

*I hope everyone is back into the swing of things after enjoying their winter break celebrating our Savior's birth and ringing in a new year!*

*We have nearly reached the midseason of the WYBL season, and our most significant goal of improving your son's basketball knowledge and skills is still our #1 priority.*

*The scheduled Sunday and Monday practices are paramount to your son's individual development, and, moreover, the team's development. The practices are necessary and assist the player and team to function on the basketball court. The defensive schemes, offenses, set plays, etc., can only be learned in practices and then executed in games. However, when a player is unaware of how to run parts of the system, it is not only hurting the individual's development to improve but the team's ability to maximize their time to develop as an athlete.*

*I realize that extenuating circumstances (COVID quarantines, work conflicts, family obligations, etc.) can keep a player from missing a practice or two. Still, I am going to request two things occur as we continue forward:*

1. *Please do all you can to make sure your son is at every practice - for his benefit and the team's benefit to progress.*
2. *Please inform one of your son's coaches or me as soon as you know your son is unavailable for practice.*
  - *The Jr. Pacer program's coaches are some of the most dedicated coaches I have had the pleasure to work aside. They make plans for each practice to maximize their time with your son and for your son. Letting the coaching staff know of an absence is respectful of that time they have dedicated.*

*Thank you for your time in reading the above and your efforts in making practice. If you have any questions, please let me know. The coaches' contact information is at the bottom of the News&Notes section. Thank you for your consideration in moving forward with the remainder of the season.*

2) Jr Pacer 5th grade and 8th Grade GOLD both have practice at Shoreland. See team docs for times.

3) Jr. Pacer 6th grade and 8th Grade Black both have games. See schedules for times and locations.

**4) Sunday, January 16 practices at Shoreland are pushed back to 6-8pm b/c of a scheduled Robotics Tournament.**

**5) JUNIOR PACER NIGHT at Shoreland's High School Basketball Game!**

- Monday, January 24, ALL our Jr. Pacer players will get free admission to JV and Varsity games, recognized during halftime of the Varsity game, a free treat from the concessions, MORE DETAILS COMING!

6) SAVE THE TOURNAMENT DATES:
