# LITTLE MIAMI YOUTH FOOTBALL AND CHEER

## BOARD ELECTION

The election for the Board of Directors opened on November 3rd and will close at 7:00 PM on November 8th. Emails to vote were sent out to the Primary and Secondary Guardian email as entered in the 2023 Registration form. We currently have a 34% participation rate in the election so encourage all to look for the email invitation and take the time to vote.

*There was a clerical error in two of the position titles. Please note the candidates for Director of Fields and Facilities and Director of Equipment were swapped. We were unable to modify the election after sending so we left it as is in order to avoid confusion by creating a new election. We apologize for the confusion. The full list of candidates is listed here.*
