You can book as many weekday nights as you wish with the club’s discount rate and then make your own discount reservations with advance booking at each resort or use your IKON pass or super senior discount. Our goal is to provide you with the best possible ski experience at the lowest cost possible. Adults sharing a room can make this trip for \$430. Age 65+ seniors would pay \$350 for same trip. Ski with other members each day. Group dinner each evening. Car-pool or self-drive to Ogden and each resort. Look for further information on Bogus Basin Ski Club. We had 25 members on this trip last year. Popular Trip. Email [Dan](#), or call or text him at 208-509-9008 (mobile) for details.
