

## **REFUND POLICY**

This refund policy allows us schedule the proper amount of athletes per training session without overbooking. Moreover, the club relies on the revenues received to plan and pay for instructors, pool fees, equipment and other costs.

For tournaments, the club has to confirm travel arrangements (hotel, transportation, meals) and tournament fees well in advance of the actual tournament. Those total costs are divided amongst all confirmed players.

### **Player Registration Refund Policy**

Payments made prior to session start will be transferred without penalty to a future session. Once the session begins, payment transfers will be on a pro-rated basis to a future session. Payment transfers are limited to not more than beyond two sessions.

Payment transfers will not be granted for not attended scheduled practice.

### **Tournament Refund Policy**

LAWPC Tournament deposit fees are non-refundable. Tournament fees will be refunded for good cause only if a suitable replacement player can be located by the club. Good cause for such transfer is limited to physical impairment or illness.
