

ESC Board Meeting November 19th, 2024

GM Report- James Soesbee

- Lightening detection system will be operational by Spring.
- Exploring the possibility of food trucks at ESC on Thursday nights. Further details to come.

Assistant GM- Gary Boreham

- Financials for the Turkey Shootout have been released.
- Recreational registration is open.
- All spring dates are posted on the website.
- No games will be held during both weekends of spring break.
- April 28th weekend- Competitive tournament at ESC fields for U10-U14 teams (OEFC/ESC tournament)
- Fields will close after the OEFC Showcase weekend. Teams with remaining OPL games can continue practicing through December 23rd. Fields will be closed to all other teams. Fields will reopen two weeks before the OPL season which will start on March 1st.

Academy Director- Michael Moritz/ Kal Okot/ Danny Roberts

- Winter 1 indoor session- The session is underway, but several improvements are needed. Challenges include mismatches and scheduling conflicts due to inconsistent game times, which are beyond our control. Exploring potential solutions, though indoor options remain limited.
- Sponsorship program- 3 sponsors have committed to the two-year sponsorship plan. 2 additional sponsors are pending confirmation. Members are encouraged to connect Michael Moritz with any potential sponsorship leads.
- Fall season recap- Two major academy tournaments were rained out- Turkey Shootout and Celtic Cup. Most or all other games for the fall season were successfully completed.

-On December 1st there will be an academy coaches meeting at the Greens Country Club. Here we will go over the plans for the spring skills program lead by our ESC staff and coaching staff. We have gotten 16 additional goals and are now ordering flags for branding for the program. Also, in the meeting we will introduce our curriculum plans.

-We are working on our lead staff for next year as well. We are hopeful to land a few coaches outside of the club. The 12 months pay program is key to getting staff improvements.

-Michael Moritz expressed interest in attending a DOC course. Board approved covering the expense for continuing education.
