

In late August, 25 young men between the ages of 16-20 will come to Piney Orchard Ice Arena in Odenton, MD from all over the U.S., Canada and Europe to play junior hockey. **TEAM MARYLAND** plays in the EASTERN HOCKEY LEAGUE where those young men develop and continue their dreams of playing NCAA hockey.

Billet families are needed ! Those families provide a caring, supportive family environment that becomes a home away from home for our young men throughout the hockey season. Lifetime relationships are made. Families are provided a monthly stipend of \$400 to assist with the expense of food & housing. The club adheres to any current safety protocols to protect our players and their billet families.

If you are interested in becoming a billet family or have any questions, please contact:

Lisa Donnelly
Billet Coordinator
