

TEAM REGISTRATION CHECKLIST - 2026

Spring team registration items are due from local reps by 2/22/26.

Forms should be completed and printed out prior to the scheduled meeting times.

REGISTRATION ITEMS NEEDED:

1. Team Registration Form (there are separate forms for baseball and softball) - EXCEL
2. Insurance Participant Census Form - EXCEL
3. Insurance Waiver Form - PDF
4. Baseball & Softball Order Form – EXCEL
5. Ohio Blanket Exemption Form (Nonprofit Sales Tax Exemption) - PDF
6. Payments (Three separate checks preferred for Softball/Baseball Team Fees, Insurance, and Balls)

ADDITIONAL NOTES:

The forms above are available online (Info for Baseball/Softball Rep pages at Neobaseball.org)

Please use the excel files, if applicable – it helps with legibility and the forms are designed to calculate the total amount due.

The team registration forms should list the # of teams at each age division your area is registering and included manager contact info for each time (particularly if it is a new manager or their contact info changed so I have their correct phone # and email). Only included teams that are certain (additional teams can be added through the 3/7 deadline, if needed).

Team Managers should also register their team profile online by 3/7/26. The online registration helps verify information, online profiles, and the team contact lists.

NEW IN 2026 (ROSTERS): Team Managers (or reps) will need to submit each team roster online by 3/14/26 using the team roster registration link at the home page of Neobaseball.org. All required roster information must be correct and should take around 12-15 minutes per team. Submit one entry per team, so any roster revisions should be emailed to corey@neobaseball.org. Teams that don't submit a roster by the deadline may be excluded from the end-of-season tournament.

COACHING REQUIREMENTS

Please make sure all coaches complete all three requirements listed under the Information for Coaches tab online prior to coaching (preferably no later than 3/8/26). The information/links are available at the Neobaseball "Info for Coaches" tab:

- BACKGROUND SCREENINGS (every 2 years) – Use only the current NCSI background screening (self-registration #) for your area at <https://www.neobaseball.org/background-screenings>)
