April 23, 2020

Gulf Coast Texans,

We hope you are doing your part to “Bend the Curve” to help fight against COVID-19 in your home and our community. Our Executive Board, Board of Directors and Staff have been following carefully the guidance and discussion of US Youth Soccer and Florida Youth Soccer Association regarding suspension of organized soccer. Both governing organizations have recently continued the suspension of play until May 15, 2020, which covers the remainder of our Spring Season. Following these guidelines, **we have decided to focus our attention on Summer Training Options and prepare for our 2020/21 Select Season/Tryouts.**

Just as we did for the month of April, we will cancel May training payments if you are paying monthly by debit/credit card. For those who prepaid, refunds will be issued during May.

With that said, we are doing our best to maintain the financial viability of our Club and ensure the Gulf Coast Texans has the best opportunity for all players to develop their skills in a safe environment moving forward. If you would like to donate your training fees to support the Club, please let us know and we can charge your card. ALSO, if you own or manage a business, and would consider partnering with the Club through a tax deductible donation in this crucial time, please email our Marketing Director Matt Howard about some sponsorship options at marketingdirector@gulfcoasttexans.com.
