How to upload a PLAYER photo on the APP (Use this same process to upload COACH photos)

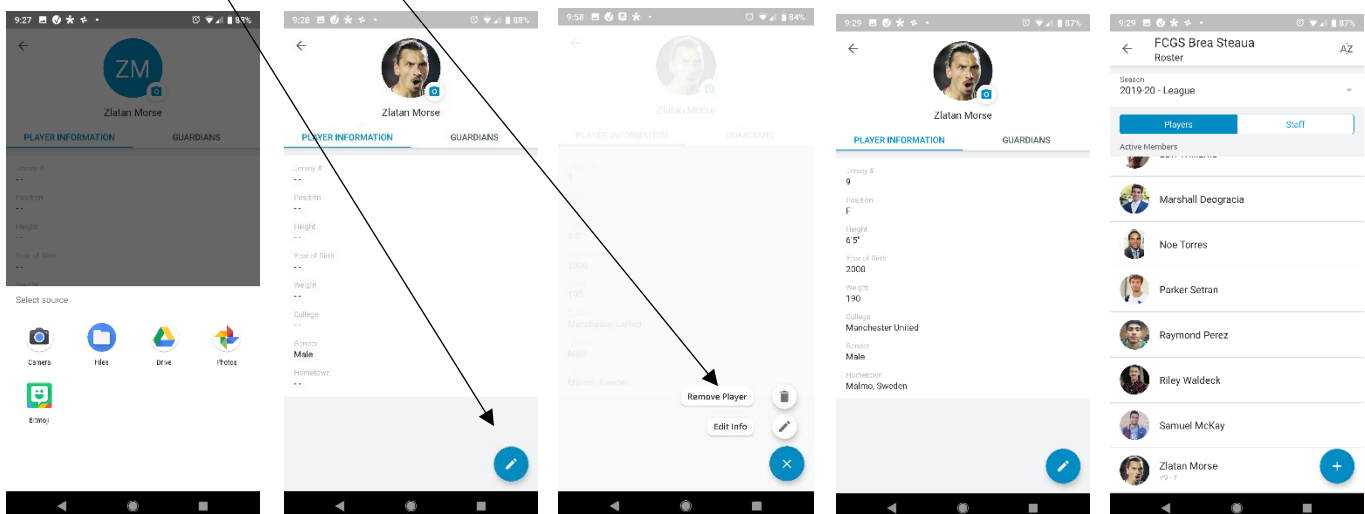

(See below for how to upload a Photo on the website)

*\*NOTE – this was done on an Android phone, photos and actual process may be slightly different*

1. Open the SportsEngine App
  - a. Be sure you are logged in with your coach/manager access
  - b. Click on your team
2. Click on “Roster”
3. Click on the player who does not have a photo “Zlatan Morse”
4. Click the Camera Icon under the player initials

5. Select the method to choose a photo
6. If the player is with you simply take a picture of their face and upload it
7. WE PREFER YOU TAKE A PHOTO OF THEIR DRIVERS LICENSE or PHOTO ID
  - a. Only the face, not the entire document!
8. Upload the photo
9. You can also edit the player info
  - a. **NEVER click on “REMOVE PLAYER” this is for League use only**

All Player info and photo now shows up on website Roster:
