

# 2021 Tewksbury Conway Classic Tournament Rules

**General Rules for all divisions (8, 9, 10, 11, & 12):** The Tournament will follow the **Babe Ruth Leagues Rule Book** unless otherwise stated within each division referenced herein. All players in the tournament must comply with the Cal Ripken Age Determination, division age based on player's age as of April 30, 2021.

## **1. Batting:**

- 1.1 USA official bats only, clearly marked/labeled.
- 1.2 Continuous batting order for all divisions; all players present in full uniform must bat in the game (12 players present, 12 players bat).
- 1.3 Only the player at bat can have a bat in their hands. No on deck batter is allowed and no player shall be allowed to hold or swing a bat in or around the dugout.
- 1.4 Any batter removed from the batting order during the game shall be recorded as an out for each subsequent turn in the batting order.
- 1.5 Any player arriving late may be placed at the last spot in the batting order, provided the first player in the order has not come up to bat for his 2<sup>nd</sup> turn.
- 1.6 No Pinch Runners allowed. In the event a base runner is injured and unable to run, the batter who made the last out recorded shall be the designated pinch runner.
- 1.7 No head 1<sup>st</sup> slides allowed going into a base; a head first dive back to return to a base is allowed.

## **2. Pitching:**

- 2.1 Pitching will be in accordance with Babe Ruth League Rule Book for pitching. A manager must remove a pitcher when the pitcher reaches the Max for his/her age. If a pitcher reaches their pitch Max during an at bat, he/she may exceed their pitch max and finish out the at bat. No pitcher can start a new batter once their respective pitch max is met.
  - *Example: Pitcher starts a batter and his pitch count is 83, he/she then finishes the batter and is removed with a pitch count of 88 – the Managers should record 85 as the pitch count and follow the corresponding rest period for that pitch count threshold the pitcher had at the start of that batter (66 & 2 days rest).*

- However, there will be a hard cut off for pitches with regards to rest (Days). For example if a pitcher starts a batter with 39 pitches and he/she finishes the batter with 41 pitches and is done pitching for the game he/she would need 1 day of rest.

Pitch Counts by age and days of rest are as follows:

Age	Max	Pitches	Rest (Days)
7-8 YO	50	1-40	0
9-10 YO	75	41-65	1
11-12 YO	85	66+	2

Both teams are responsible to track pitch counts for all pitchers. Managers should verify pitch counts each ½ inning. **There will be an official scoring tent set up adjacent to the snack shack. Both teams will record/enter pitch counts for all pitchers for both teams each day upon the conclusion of the games. THIS INCLUDES ENTERING THE FINAL SCORE OF THE GAME.**

2.2 There is no limitations in accordance to catchers and pitchers.

2.3 A player removed as a pitcher may pitch again the same game. In addition, he/she may pitch in another game within the same day as long as he/she does not exceed the total pitches for the day as referenced above.

### **3. Defensive Positions / Playing Time:**

3.1 Teams are allowed to make free defensive substitutions. Notice should be given to the other team.

3.2 Each player must play a minimum of 9 defensive outs per game. Exceptions: 1) games shortened due to weather or darkness. However, if 4 innings have been completed, all players must have played at least 3 defensive outs -in other words, the team must be on track to obey the rule should the game be shortened.

3.3 **8U Only: When a ball hit to the outfield is returned to the infield and infielder has possession, runners can no longer advance without peril. If in the umpire's judgement a runner is more than halfway to the next base that runner can continue to the next base at his/her own peril but if the umpires judgement the runner is less than halfway the runner must go back to nearest base.**

### **4. Manager and Coaching Rules**

4.1 Only players, coaches and managers are allowed in the dugouts.

4.2 All players must remain in the dugout unless they are hitting or playing in the field or a base coach.

- 4.3 There shall be a maximum of 4 coaches, including the manager and scorebook keeper, within the active field boundaries during actual live ball play. Any additional coaches must be outside the field boundaries, although they may be nearby the dugout to help with scorebooks etc.
- 4.4 If one of the 4 managers or coaches is ejected, a substitute may not take his place in the dugout.
- 4.5 Players coaching bases must wear a batting helmet.
- 4.6 Only the Manager is allowed to discuss calls or rules with umpires, and must do so appropriately.
- 4.7 Home team is the second listed team on each scheduled game (i.e., A vs. B, B is the home team.)
- 4.8 During the playoffs, the team with the higher seed is the home team. If there are two number one seeds from different brackets, the home team is the team with the better record. If these teams have the same records, the home team is the team with the least runs against per game during pool play of the tournament. If still tied after these tiebreakers, a coin flip by the home plate umpire before the game will determine the home team.
