

HELMET STICKERS

Team Managers will distribute helmet stickers at the start of the season.

Also please remove ALL previous Charger-designated stickers, including the Non-Hodgkin's Lymphoma Ribbon and the 40th Anniversary Sticker.

REMOVE ALL other decals/stickers from your helmet, (non-Chargers approved stickers, Hockey Camp Stickers, etc). The Head Coach will enforce this policy. Do NOT remove the Certified Hockey Helmet & HECC Certified Stickers. You CAN remove the Manufacturer Warning Labels once you read them.

Front Stickers

- Place Number(s) on the top front of helmet.
- Place Front Chargers Nameplate over helmet brand name.
NOTE: Sticker may not cover all of the brand name, this is ok.

Back Stickers

- Place Number(s) on the back middle of helmet.
- Place American Flag below the Number(s) but not on bottom.
- Place CSDHL or NIHL Sticker on Lower Right.

Side Stickers

- Place Side Chargers Banner on the back half of the two-piece shell as close to the center as possible or centered on a one-piece helmet. Do your best to match the curve of the top of the helmet with the arch of the sticker.
- Place Side Chargers Banner on the same spot for both sides of the helmet.
