## Team Costs

Ozark Juniors Volleyball Club teams are divided into National, Regional Plus, Regional and Local. Please see the "Programs" section of the website for information about each of the different teams.

Team Division	Description	Total Cost
NATIONAL	Travel and compete at the highest level	\$2,200.00 / \$1,800.00
REGIONAL PLUS	Two national level tournaments	\$1,300.00
REGIONAL	One or two out of state tournaments	\$1,000.00
LOCAL	One out of state tournament	\$700.00

### FINANCIAL OBLIGATION

It is the responsibility of the parent or guardian to insure that all payments are made on time. If payments are not made on time or a past due balance exists, then an individual may be held from practice or tournament opportunities until the account is corrected.

The fees above represent the fee for the entire season. Acceptance to Ozark Juniors requires that you pay the entire amount. This is not a "pay as you play" payment plan. We only break down the fees into monthly payments (**SEE BELOW**) to help offset the financial burden.

If a player is injured, we **may** adjust the payments on an individual basis. Please understand that most of these fees will be incurred even if you cease to participate. For example gym rental, coaching fees, etc. will still be incurred.

We will seek to recover all fees that are due. If you choose to leave Ozark Juniors, you will still be responsible for all dues.

### About Groundwork

Ozark Juniors has partnered with [Groundwork](#) for paperless and automatic payments this season. Groundwork provides parents with an easy way to set up automatic payments, view their payment history and receive upcoming payment reminder emails.

You only have to set this up once at the beginning of the season! You can manage payments or change your payment method at any time using your [secure login](#) that's created after you signup for the first time.

You will be receiving a personalized email invitation from Groundwork. Follow the link inside to signup. You can also see [step-by-step directions here](#).
