Minor Hockey
ASSOCIATION, INC.

Come experience **Power Play!**

Oswego Minor hockey would like to invite you to the 24th annual PowerPlay tournament. Come join us on the shores of Lake Ontario for a great weekend of hockey, January 11-13. It is the goal of our selection committee to find teams from as many different regions as possible in an effort to play teams you may not play over the course of the season. Power play tournament caters to NY State Tier II travel teams, Canadian B rep, New England Tier II, as well as Ohio, and PA. However we have made exceptions for teams that can demonstrate that this is your appropriate level of play as other states or regions or provinces may vary with classifications. It is our goal to have a competitive tournament for all teams entered.

We are in our 24th season of this tournament, it is a USA sanctioned event and as such USA hockey rules will apply to this event.

You will get the opportunity to play at our different venues, all within a five minute drive with one being the state of the art Oswego state campus center.

The tournament fee is \$950.00 per team with a discounted fee of \$900/team if all 3 teams attend (1 Squirt, 1 Peer Wee, & 1 Bantam). Must receive a \$50.00 non-refundable deposit to secure that price.

The following are features of this event:

- 24 Invitational Team Field
- 4 Game Guarantee
- Team & Player awards to top 2 Teams/Division
- Team Banner to the Champion/Division
